## "E" Bond Sales Total \$37,338.25 In Drive to Date

Walter J. Lehigh, chairman for Daly City's Seventh War Loan drive, has announced that the total sales of bonds to May 19 inclusive amounted to \$42,438.25. The total of "E" bonds sales has reached \$37,338.25 for the same period.

Praising the cooperation of his committees, the post office, the Bank of America and the theatre, Lehigh is making an earnest appeal for everyone who can possibly do so, to purchase "E" bonds, since so much of Daly City's quota is in this denomination.

At the Daly City theatre the War Bond booth is being operated nightly by different organizations throughout the entire campaign, May 14, to June 30.

Mrs. Mary Crane is assisting Mrs. Allene Lehigh in contacting the neighborhood stores in the sale of bonds.

## All-Out Drive Planned by Aux. For "Poppy" Sale

According to Mrs. Vivian Pahlka poppy chairman, the wearing of the poppy has become a silent pledge, renewed each year, that the people of America have not forgotten the responsibility they have been given by their fighting men of both wars. "Many of these men have given their lives or their health for us, and it is with deep gratitude to them that we set aside a day on which to honor them and assure them that we remember our promise."

Everyone who buys a poppy from an Auxiliary worker should know what becomes of the money he contributes and everyone should realize the ever-increasing need for these contributions as this second World war goes grimly on, taking its toll of lives and limbs.

The sale is carried out entirely by volunteers, so that every penny that is received goes directly to the relief of disabled veterans and the families of the dead and disabled.

These men and their families are the chief concern of the Legion and Auxiliary. It is for their sake that the volunteers are so eager to sell their poppies, with the hope that the dimes and dollars contributed will help to make their lot in life somewhat easier. The government spends billions of dollars to try to bring adequate aid to the disabled veterans and their families, but the Legion and Auxiliary are able to bring their personal attention and understanding to the many cases to which they bring relief. This is a big factor in rehabilitation and in keeping families together until the veteran is able to return home and help in their support.

When you wear a poppy, you show the world that you are saluting the war's dead and doing your bit for the war's living victims.

## Memorial Day

America stands with head bowed and bared on this day in memory of her fallen heroes.

Their silent ranks that march unseen are evidenced only by graves all over the world—graves that mark the paths our armies have trod in the fight for victory and peace.

They lie on Okinawa and Iwo Jima, Bataan and Corregidor, Bougainville and Guadalcanal; there are fields of white crosses in North Africa and Italy, on the beaches of Normandy, on the banks of the Rhine.

They were young men. They loved life. They did not want to die. But they gave their lives that their country might survive and that other young men of another generation who will love life and will not want to die, will not have to die on the field of battle.

These are our honored dead. And yet, they are not dead. The assurance of immortality is too strong, too insistent in our hearts to believe other than that these men are still going on unscathed by the violence that struck down their mortal bodies.

To these men, and to all the valiant Americans who throughout the history of our great Nation have fought and died in freedom's name—to them we owe a debt that can never be paid.

Their memory will live in our hearts; we can never forget them. But even more important than the personal memory—sacred though that is—is the memory of the cause for which they died. This we must not, we dare not, forget.

Out of the tears of today, out of the solemnity of this hour, comes forth the hope of a brighter tomorrow when men and nations, in the light of mutual trust and respect, will "learn war no more," but shall walk together in eternal paths of peace.

## Ready for Bond Show

The 30 calibre light machine gun, one of the Infantry's most devastating weapons, will be demonstrated in the "Here's Your Infantry" show which will be given in more than 600 cities throughout the country during the Mighty Seventh War Bond Campaign. Here's Pfc. Luther V. Zumwalt, Tulsa, Okla., explaining the gun to Miss Agnes Holmes of Columbus, Ga. Your purchase of War Bonds is needed during the Mighty Seventh.

## Girl Scout Council To Meet at Jeff Hi

The regular meeting of the Girl Scout Council will be held Thursday, May 31 at 7:45 p. m. in the little theatre of Jefferson Union High school, 6996 Mission street. Mrs. Stella Jensen, commissioner of the Girl Scouts, will be in charge of the meeting.

## New "Paper Drive" Is Now Under Way

Dig that waste paper and those old magazines out of the cellar, the attic or wherever you may have them stored. Such is the advice handed out by local school officials this week, as they announced another paper drive by the youngsters of the local schools was on.

This drive got under way Wednesday, May 23, Superintendent R. L. Crane announced, and will continue for two weeks. Persons wishing to donate paper to this drive are asked to tie it in bundles of about a foot high, and take it to any one of the following schools: General Pershing, Crocker, Woodrow Wilson Elementary, Woodrow Wilson Primary, Jefferson, Jefferson Annex or Thornton. Or they may call in their favorite youngster, and he or she will see that it is gotten to the school he or she attends.

## County Budget Reaches New High For Fiscal 1945-1946

San Mateo county's total budget for the fiscal year 1945-46 as it will go to public hearing June 5, is \$4,079,254.87, an increase of more than \$600,000 over the budget for the present fiscal year, it was announced in Redwood City last week. The present year's budget, which is the first one of over \$4,000,000 ever to be presented, calls for \$1,334,343 for salary and wages; maintenance and operation, \$2,032,031.50; capital outlay, \$525,765.37; interest and debt redemption, \$34,115; unbudgeted reserve, \$55,000; and general reserves, \$100,000.

Specific items included in the budget are \$137,000 for court house construction; (\$112,000 of this is already on hand, leaving only \$25,000 to be raised); juvenile home construction \$50,000, of which \$25,000 is on hand; relief home \$25,000; post war memorial building, \$69,000 (of which \$34,000 is on hand); general reserve \$100,000 (already on hand); post war planing, \$36,000 (\$26,000 on hand); June, 1946, primary election, \$50,000.

## Service Club Will Celebrate Anniversary, May 29

The Daly City Servicemen's club will hold its second anniversary, Tuesday, May 29, at 6201 Mission street.

All servicemen both men and women are welcome to come, particularly those from our own Daly City camp, Tanforan at San Bruno and the Receiving hospital, Geneva and Moscow streets.

There will be a spaghetti dinner with all the trimmings served to the boys and also a large birthday cake in honor of the occasion.

Mrs. Ann Eason, Mrs. Maizie Boyle and Mrs. Margaret Steele will be the hostesses for the evening and the junior hostesses will be there to see that everyone enjoys the occasion. Music and dancing will feature the entertainment attractions.

## Pacific Action Films Feature Free Show Of Colma War Bond Committee Fri. Nite

In an effort to whoop up the sale of War Bonds in the "Big 7th" drive in Colma, two sound films of action in the Pacific War Zone will be shown at Colombo hall Friday, May 25, at 8 p. m. There will be no admission charged.

One of the films will depict action at Anguar, showing many thrilling scenes of the First Marines' conquest of that island. The other will show exciting scenes of other action by the marines and infantry in their battles against the Japs. Both films will be filled with highly dynamic scenes of the strenuous battles waged by our boys in eliminating the Yellow Menace.

One of the war veterans who has been brought to this country by the Treasury department will be on hand, to give a first-hand experience story of the difficulties and dangers our lads are going through each day at such places as Iwo Jima and Okinawa.

The show will be staged under the direction of the Colma war finance committee with 7th War Loan Chairman John Ferrari and War Finance Chairman Mrs. Margaret Pauline Brown in active charge. Colombo hall is located on San Pedro road just off Mission street.

Chairman Ferrari reports that sale of 7th War Loan bonds is proceeding satisfactorily in the Colma area, but warns that workers and people cannot relax in their efforts now.

## District Attorney Gets Tough With Hog Ranch Owners

Office of District Attorney Gilbert D. Ferrell in Redwood City is on the warpath, objects of its wrath being certain hog ranches in the Colma and South San Francisco area, whose owners have refused or neglected to clean up their premises.

This was indicated last week, when a spokesman for the District Attorney's office announced that a complaint had been filed against A. Botti, his wife, Anita, and sons, Alto and Johnny, operators of a Colma hog ranch. This complaint will ask the superior court to restrain the Bottis from operating their place as a hog ranch until they comply with rules and regulations of the San Mateo county health and welfare department.

According to Assistant District Attorney Daniel E. Sullivan, the Bottis were notified on March 21 to abate certain nuisances. These alleged nuisances are: stench arising from 1200 to 1500 hogs kept on the ranch is "obnoxious, disagreeable and offensive to the community residing along the creek in Colma and South San Francisco." Wrongful drainage of hog ranches—washing water and seepage from garbage running at will on the ground has found its way into Colma Creek, causing the creek to be polluted; feeding grounds on the farms have become infested with rats and ground squirrels and have become dangerous to the health of the entire community; and barns are in a dilapidated and filthy condition.

The Bottis are also charged with transporting raw garbage from San Francisco and dumping it on the ground.

Sanitary inspectors who have inspected the Botti place several times since January 1, 1944, have asked them to clean up the place, without result, the complaint continues.

The Botti ranch is not the only one that has aroused the wrath of the District Attorney's office. Four other ranches have been served with 30 days notices. These are Olcese Brothers, Angelo Olcese, Central Hog Ranch and Western Hog Ranch. In filing these complaints, the District Attorney's office indicated it was tired of the constant refusal of commercial hog ranchers in the northern part of the county to clean up their ranches.

## Ralph Shaw Becomes Director of Recreation For San Mateo County

Ralph Shaw, for five and a half years director at the San Carlos Recreation center, will take over a new position as Director of Recreation for San Mateo county, July 1, it was announced last week.

Shaw has had a prominent part in recreational activities in San Carlos, having organized the San Carlos Boys' club more than five years ago, as well as being a prominent figure in the organization and conducting of various junior baseball leagues along the peninsula.

More than 100 boys of the San Carlos Boys' club are now in the service of Uncle Sam, Shaw said recently.

## Spectacular Fire Destroys Cabin At Local Auto Court

Cabin No. 10 at the Mission Auto courts, occupied by Mrs. Cash, wife of a serviceman overseas, two children, and Cash's mother, Mrs. Karl, was completely destroyed in a spectacular fire shortly after 3 o'clock Monday morning, May 21; and it was only by almost superhuman efforts of three Daly City fire companies aided by the absence of any wind, and the stucco construction of the cabins at these auto courts, that damage to other cabins and a nearby gas station was prevented.

The alarm was turned in from Box 37 at 3:05 a. m., and companies 1, 2 and 6 under command of Fire Chief Chesney, Assistant Chief Bodien and Company Commanders Elmer Kennedy and Bert Silicani responded.

When the firemen reached the scene, the cabin was a mass of flames with fire and smoke pouring high into the air. After two hours of the hardest kind of work, the firemen succeeded in bringing the fire under control with little damage to surrounding cabins.

All property of the cabin's occupants was destroyed with the exception of several War Bonds brought from the cabin by one of the firemen.

The cabin is located in the northwest corner of the auto courts just a few feet from the Mobil gas station at the corner of Mission and Gambetta streets. Cause of the fire was not determined, although some of the firemen expressed the opinion it might have originated from a carelessly dropped cigarette.

Two things aided the firemen materially in their efforts to prevent the fire spreading, in the opinion of neighbors aroused by the alarm. One was the absence of any wind; the other, the stucco construction of the auto court cabins.

Had a heavy wind been blowing, or had these cabins been of wooden construction as the cabins at many courts are, the fire could easily have developed into a holocaust of major proportions, these people stated.

## Leo. F. Torkington Dies at Hospital

Leo Francis Torkington, 55, of 171 Los Banos avenue, Daly City, died Saturday, May 19, at Mills Memorial hospital following a lengthy illness. He had been confined to his home for several months, and last Thursday was removed to the hospital, death coming two days later.

He had resided in Daly City for 17 years. He leaves his widow, Mrs. Georgina Torkington.

Funeral services were held at Our Lady of Perpetual Help church Tuesday morning, May 22 and were in charge of W. C. Lasswell & Co. funeral parlors. Interment was in Holy Cross cemetery.

## Bonds—Psychological Warfare

As this "Mighty Seventh" War Loan drive moves toward the goal of \$14 billion—\$7 billion to be subscribed by individuals—let us remember that we Americans are not the only ones interested in its outcome.

The Japs also have a keen interest in it. Why? Because they are looking for signs of a letdown on our part now that Germany is beaten.

They know that if we concentrate our full strength against them with the same vigor and determination that have characterized our efforts thus far, then their Japanese goose is cooked.

And if they become thoroughly convinced that such is our unwavering intention, many observers believe that this would tend to weaken the determination of Nipponese leaders to fight a suicidal struggle. This would mean a shorter Pacific war and the saving of many American lives.

Indifference to this War Bond drive, would encourage them to hope that we are easing up. It would spur them to hang on even more tenaciously in the belief that we will eventually grow weary of war and permit a negotiated peace.

So, the Seventh War Loan campaign involves something more than an opportunity to invest our funds and protect our future. We can make it, we must make it, a potent weapon in the psychological warfare that will hasten the surrender of the last Axis member and bring a full and final peace.

Every American should step into the nearest bank or other War Bond agency today and buy Bonds. And then keep them.

## Jap Peace Feelers

We can be pretty sure that as the number of American planes attacking Japan increases, the number of peace rumors will also increase.

And it is not likely that all these rumors will be baseless. In spite of the "fight-to-the-death" talk from high Jap officials there can be no doubt that they'd like to get out of the war if they could do it short of unconditional surrender. But that's the catch. We won't settle on any other basis, which is as it should be.

It is interesting to note that Sazuki, the new Jap premier, although vowing a fight to the finish, is not one of the military fanatics. In fact, some years ago when the young officers of the Japanese army carried out their blood purge against the "moderates" they attempted to slay Sazuki.

Now, it is not improbable that as the situation becomes more desperate for the Nips, Sazuki will be succeeded by a still more moderate leader who will seek to wangle a deal for peace which will leave the Japs with at least a part of their "face."

So, as things get hotter in the Pacific war we can expect "warmer" and more frequent peace feelers. But let us remember that there can be but one answer, "Unconditional Surrender."

## Roosevelt Memorialized

The memory of former President Roosevelt is to be honored by the placing of his likeness on a new dime which will be minted in Philadelphia. The Roosevelt dimes are expected to be in circulation about Christmastime and will gradually replace the dimes now in use. It is reported that his picture will appear on postage stamps now being designed. Later this year when the Eighth War Loan drive is held, a Bond of a new denomination—probably \$250—will appear with some Roosevelt slogan on it yet to be selected. A contest of Washington newspaper men will be held for the choice of a slogan.

## Casualties Pass Million

The fact that latest casualty figures are placed at 986,214 is taken in Washington to mean that the real total, including those which have not yet been reported, has passed the one million mark. The figures released cover activities up to mid-April. Army casualties total 878,939; Navy, Coast Guard and Marine Corps, 107,275. Undersecretary of War Patterson estimated that our forces have killed about 360,000 Japs during the entire Pacific campaign up to the time of the Okinawa landing. In the Philippine campaign alone the enemy losses by actual count have reached 237,256. Our own casualties were 46,638 of which 10,432 were killed, 35,699 wounded, and 507 missing. The tendency for the Nips to surrender instead of fight to the death has not increased to any marked degree.

## News From Jeff District Schools

## Crocker

This week the students of Room 2 are beginning a new unit in social science, "Telling Time." They will study about the various methods used to mark time through the ages.

The girls and boys of Room 3 are very proud of their colorful spelling chart. Some pupils have almost completed their rainbow colors, since they attained perfect scores on each of their weekly spelling tests.

The students in Room 4 are finding some very interesting pictures of the early explorers in books from the Daly City library.

A silent film, "Down the Yukon," was shown to the pupils of Room 6 during a social science period. This film correlated with the unit "Culture." It showed Arctic scenery as well as the cabin where Rex Beach, who wrote "The Spoilers," had lived.

## Jefferson

This week spelling tests have been given to all classes in the school. These tests are the third in a series of tests being given this year to all grades from the third to the eighth, to check progress in spelling.

Claudia Rowley in the sixth grade came out winner in the Tin drive contest in the school. Claudia brought the most tin, and was awarded two tickets to the Daly City show. The children who brought the most tin into their respective rooms were as follows: Seventh grade, Robert Martinelli; 6th grade, Claudia Rowley, Mary Louise Steinke, Sara True; 5th grade, Victor Raggio; 4th grade, Richard Keppeler, Martin Carovano, Fred Inglin, Emily Steinke; 3rd and 2nd grades, John Dennis, Helen True, Mary Sue.

In preparation for the study of stained glass windows, the 6th grade colored hexograph copies of a stained glass window. They also read and discussed the story of "King Arthur and his Knights," to better understand the background of castles, walled moats, and armored knights, that were so vividly portrayed in the design.

In their study of China and its legendary art, the 6th grade children got a great deal of interest and enrichment of ideas from the various examples of Chinese art and craft that Sara True and Mary Louise Steinke brought to class. The Chinese idol made of wood was the most popular exhibit.

## LETTER MAIL

## REACHES OKINAWA

The astonishing quantity of 4,944 pouches of air mail, first class mail and V-mail were flown in from one mail distribution base to the men on Okinawa and ships of the supporting forces during the first 15 days of April. This represents millions of letters delivered to our fighting men right in the combat area.

In announcing this record, the Navy Mail Service pointed out that it will be some time before heavier mail—newspapers, magazines and packages—can reach the combat area on surface ships.

United States with foreign countries.

The growth of our country after its fight for independence is being studied by the low seventh. The high sixth is learning about the rise of the countries of Europe to the status of world powers.

The 6th grade is learning about farming in America. They read and discussed the reasons why the colonists came to America, where they came from, why they came and where the thirteen colonies were settled.

The boys and girls of the 5th grade in Room 12 have been reading some very interesting stories about their unit, "Pioneers." One reading group is going to present a play about pioneer boys and girls.

The high fourth has now completed the study of Africa. The class compared the continents of South America and Africa and found that they were more alike than unlike geographically.

Room 15 had a very interesting film on "Time." It showed how early people first told time until our modern clocks and watches were invented.

## Former Daly City Restaurant Man Dies in Mesa, Ariz.

Many Daly City friends were grieved this week to learn of the death of Nick Bellalis, 53, for many years a chef at the Daly City Coffee Shop. Death occurred at Mesa, Ariz., where Bellalis had been living for the past ten months, Thursday night, May 17.

He was employed at the local restaurant from 1935 to 1938 and again from April 1940 until late in 1943. A sufferer from arthritis, he underwent treatment at the San Mateo Community hospital from December 1938 to April 1940.

The body was brought to the San Francisco Funeral Parlors at 435 Valencia street, San Francisco, where funeral services were held Thursday afternoon, May 24, followed by requiem mass at the Greek United Orthodox Community church of the Annunciation, 245 Valencia street. Interment was at Greek Orthodox Memorial park in Colma.

Surviving him are three first cousins, Jim Pappalias, 6259 Mission street, Daly City; Nick Pope of San Francisco and Jim Bellalis of Huntington Park, California; two cousins, Gus and Tom Bellalis of Hoquiam, Washington, and a host of friends in Daly City, San Francisco and Pittsburg, California.

Dr. Aurelia Reinhardt's acceptance to speak to the student body Wednesday, May 16 was greatly appreciated.

Dr. Reinhardt, past president of Mills college and now consultant to the Security Conference, spoke on the conference.

Dr. Reinhardt is not only a well-traveled and well-informed woman, but she is one of the ten most distinguished women of America.

## Jinx Postponed

The cast of the Senior Jinx breathed a sigh of relief when the date for their "very secret" presentation was changed from Friday, May 18 to Monday, May 28. The cast of the "secret program" has been working hard these last couple of weeks to make the show a success.

Bouquets go to Emile Lemoine, George Perada, and Beverly "Tiny" Clement for writing the script and for directing the production.

Faculty advisers are John McCarthy and Mrs. M. Reandeau.

## Blister Rust Fighters

Approximately twenty-one boys from Jeff are planning to be "Blister Rusters" again this year. The group, accompanied by Coach Elman Rose, will leave June 25 for Strawberry Valley, 45 miles east of Oroville, and return about September 1.

The boys not only fought the Blister Rust disease last year, but forest fires as well.

## Two More Alternates

Earl Odell and Charles Piccard, recently chosen as alternates to attend Boys State in Sacramento, will join Harold Tikkanen and Ben Parodi as delegates.

Two alternates chosen were Byron Kimler and Dalbert Wedel. Living expenses are being paid for by the Daly City American Legion Post No. 410.

## Fifty Students hear Statesmen

On Friday afternoon, May 18, some fifty-one students from Jeff attended a special program for high school students at the Civic auditorium, at which General Carlos P. Romulo and Jan Masaryk were guest speakers.

Chairman for the meeting was Governor Earl Warren who introduced the speakers, Mayor Lapham and two California educators.

## Dives Into Foxhole, Teeth Keep Going

**IWO JIMA (Delayed)**—Perhaps the strangest "casualty" reported in the invasion of this Pacific isle just 750 miles from Tokyo, happened to Marine Staff Sergeant John R. Richards of Columbus, O.

In the confusion of the D-Day assault, Staff Sergeant Richards lost his false teeth.

The 38-year-old Marine, who gave up a desk job in Washington and volunteered for overseas duty a year ago, jumped into one shell hole so fast that the molars kept on going.

In Richards' own words, he was "out but not down" and he stayed in the fight, reports Staff Sergeant David Dempsey, a Marine Corps combat correspondent.

## Junior College Offers Bond Dance For Saturday Night

San Mateo Junior College students offer the public their big Seventh War Loan dance Saturday evening in the college gymnasium with the Livermore Air Cadets' band playing for the dancing. Admission is by the purchase of a war bond (one per couple) at the junior college. The dance will be from nine to twelve. War bond sales started briskly at the college with \$8000 of sales in the opening week.

Students are now engaged in their annual spring election to choose officers for the fall semester. Bill Miramontes, star athlete from Half Moon Bay, and Lenore Ross, who has been active in college affairs, holding several offices, have competed for the presidency, while Levene Ott of Atherton is a candidate for secretary; Ed Bondolfi of Redwood City seeks the position of athletic manager; Kathryn Curd of San Carlos and Bea Bordson of Daly City are running for places on the executive council. Other candidates come from Burlingame and San Mateo.

The forty veterans from Dibble General hospital are now well settled in their college classes and seem to be finding the return to college pleasant and profitable.

A decided success was the verdict regarding the college presentation of its musical show, "Funzapoppin," given two evenings last weekend. Large audiences enjoyed the production which featured clever dancing, entertaining songs, and amusing radio skits. Anita Lehigh of Daly City, dancer and one of the dance directors, and Lenore Ross, manager from Brisbane, Rod Lamb from Sequoia, and Gordon Baker from San Carlos, were only a few of the large cast of 40 students drawn from the whole county.

## Postoffice Department Announces Sale of Stamp Collectors Booklet

An interesting booklet, of much value to stamp collectors, as well as of great general interest, has recently been put on sale by the Postoffice Department. This booklet is a revised edition of the official booklet containing descriptions and illustrations of all United States postage stamps from 1847 to April 1, 1945 and includes plate numbers and amounts issued of all commemorative and air mail stamps.

Copies may be obtained through the office of Superintendent of Documents in Washington, D. C., at 30 cents a copy. They are bound in paper, and the 30 cents includes cost of delivery. Remittances accompanying orders for the booklet may be in the form of postal notes, postal money orders or checks, but postage stamps are not acceptable.

## Tripleheader Is "Cooked Up" for Local Baseball Fans

By Ted Shipley

If any Daly City "baseball widows" miss their hubbies or members of their families around mealtimes Sunday, best advice for them would be to look around Marchbanks park. Al Erle has arranged a hot tripleheader at the local diamond for this weekend, and as ancient around the ball diamond as we are, for the life of us, we can't pick a feature game out of the three.

Here's the program:

10 a. m.—Buzz' Shamrocks vs. O'Neill Drugs; 12 noon—Grosso Music vs. Shipbuilders (Big Rec League game); 2:30—San Francisco U. S. Marines vs. Simmons Co.

Shamrocks and O'Neill Drugs are two of the fastest of the San Francisco junior teams. They are now engaged in a hot series of their own, with previous scores of 7 to 6 and 6 to 5. So look for a red-hot scrap in this one.

Shipbuilders have two of the most colorful young diamonders in San Francisco in their lineup. Don Grant, third baseman, plays a bangup game, at the hot corner, despite having to play on his knees. For you fans who get a kick out of the Pete Grays etc., this young man will really be an inspiration—will give you many thrills.

Satchel Dials, husky colored lad, who while with Commerce high, gained the cognomen of a "second Satchell Paige" does most of the pitching for the Shipbuilders.

Grosso Musics have a good team—they finished second in last winter's "Big Rec" league and at odd times this spring have met and defeated the best teams in the Bay area. This will be a "lulu" from start to finish—both teams need the win to stay in the running for the league title.

Sgt. Don McShane's Marines can't rest on laurels gained last Sunday when they walloped the Longshoremen. They will have to hustle all the way to down the Simmons nine.

After finishing in one of the top spots of the San Francisco Recreation Department's Class AA Winter League, the Simmons lads have taken on and defeated some of the top notch clubs around the Bay area. Including many of San Francisco's leading semi-pro players, the Simmons lineup contains a number of players who have been with the club since its organization several years ago.

Sgt. McShane announced this week he would start the same lineup that dumped the Longshoremen last Sunday, with either Sgt. Duplinski, slender right hander who worked against Harry Maloney's nine or southpaw Ronnie De La Hunt, who turned back the Mare Island Navy Yard last Thursday on the mound.

For the benefit of local fans who may wish to travel to Big Rec diamonds in Golden Gate park for the games there, here is Sunday's schedule there:

Diamond No. 1—12 noon—Young Christian Workers vs. Laundry Workers; 2:30—Regal Pales vs. Paul's Fountain.

Diamond No. 2—12 noon—Federal Outfitting Co. vs. Frank Newmans; 2:30—Western Pipe and Steel vs. Campi's Tavern.

The Federal-Newman contest will be the feature attraction. It will be a battle for first place, each club having won four and lost none to date.

## Longshoremen Take a Beating From the Marines

San Francisco U. S. Marines definitely proved their right to be rated among the top-flight Bay Region semi-pro clubs with a 5 to 1 decision over Harry Maloney's Longshoremen at Marchbanks park Sunday afternoon. And meanwhile they proved they can hit the best of pitching as they slapped the offerings of "Okey" Flowers, erstwhile San Francisco Seals hurler for nine hits which included a home run, triple and two doubles.

Coming after Thursday afternoon's 4 to 1 decision over Mare Island Navy Yard, in which the Marines banged out ten hits off Dave Davenport, former Chicago White Sox hurler, all this shows that Sgt. Don McShane's lads need feel no fear against the best of hurling from now on.

Sunday's game was a "honey" and amply satisfied a large crowd that packed the stands and overflowed around the playing field.

For five innings neither team could score, although the Marines threatened in the third, when third baseman Goodale cracked a triple against the wall in right center. But Flowers settled down and got the next three batters without permitting "Goody" to move from third.

With one out in the sixth, Ed Russell, big ex-University of California right fielder for the Marines, combed one of "Okey's" pitches far over Harry Maloney's head in center field, and aided slightly by a bobble on the relay in, scored standing up.

The Marines got two more in the seventh on a walk, two singles and three stolen bases and added their last two in the ninth via Freese's double, singles by Goodale and Norris and an infield error.

Meanwhile Sgt. Mike Duplinski, slender right hander and Pittsburgh Pirate farmhand before entering the service, kept the Longshoremen batters away from the plate until the ninth. Catcher "Red" Houghton opened this inning with a single, went to second as McCarthy, batting for Flowers was hit by a pitched ball, took third on Rose's single and scored as McCarthy was being run down between second and third on the relay after this hit.

Duplinski gave up seven hits, all singles, of which Manager Maloney collected three and Houghton two. He fanned eight and walked five while Flowers whiffed seven and issued four passes. Each pitcher hit one batter.

Feature fielding play of the game was contributed by left fielder Couvillion of the Marines, a diving catch of Rial's Texas leaguer in short left center. Couvillion rolled over several times but held on to the ball.

## New Babies

Old Doc Stork has presented the two following couples with bundles of joy: Mr. and Mrs. Dominici Aiello on May 11, a daughter, and Mr. and Mrs. Corrado E. Cevaso, Colma, May 3, a son.

## Missing in Action

Pvt. Norman B. Wiseman has been reported missing in action in the European Theatre of War by the War department.

## Just a Reminder About Your Brakes

Have you heard the story about the speeding driver who told the police officer his brakes did not work so he was hurrying home before he had an accident? Well speeding even with excellent brakes, is a major cause of accidents. With faulty brakes as an added hazard, you have practically an accident guarantee. So, if you want to stay out of trouble, check your speed, and have those brakes checked right now, advises the National Safety Council. If the brakes need adjustment, have it done immediately so you can stop clear of trouble.

## Lions Club Hold Annual Celebration

The Daly City-Colma Lions club held its annual charter night at the Southern club, El Camino Real and Junipero Serra boulevard, Wednesday, May 16, 8 p. m. This dinner, an annual celebration, is held once a year. There were about sixty people present, including members and their friends.

Music and dancing were highlights of the evening and everyone present reported a very pleasant evening.

At the meeting of the Daly City-Colma Lions club held at Estrada's Spanish Kitchen, El Camino Real Wednesday, May 23 at 12 noon, the district governor of the Lions club, Jimmy Land of Oakland, made a very interesting speech on Lionism in the 4th district.

### PLANES ARE LIKE HOMES—THEY NEED "HOUSEKEEPERS"

Every passenger plane at United Air Lines must be spic and span before it takes off on its next flight. To do this job of housekeeping calls for the "woman's touch," for the inside of these planes is just like a home. The rugs and upholstery must be vacuummed and metal and glass work polished.

You start your "housekeeping" job as soon as the planes arrive. Some of the planes are Mainliners, and others are Army transport planes costing half a million dollars. You use the most modern, labor-saving equipment. No drudgery—nothing difficult about the work.

Housewives and other women between the ages of 18 and 45 and not over 150 pounds can qualify for this interesting work. Because United planes arrive at the airport nearly every hour of the day, you will be on shift work.

United Air Lines employee benefits include vacation with pay, insurance benefits, periodic wage review and a retirement plan. A modern cafeteria furnishes meals at cost to employees.

Apply in person at United Air Lines, San Francisco Airport, Bayshore Blvd., at San Bruno Avenue.

## Morning Games Must Start Early To Permit Finish

Players of teams scheduled for the 12 o'clock game at Marchbanks park will have to make extra efforts to get on the field earlier than they have been doing in the past few weeks.

This was demonstrated Sunday, when Campi's Tavern took an 8 to 7 decision over Young Christian Workers. The game had to be halted in the last half of the sixth inning, after Campi's had pushed across the winning run, in order to permit the Marines and Longshoremen to get on the field for their scheduled game.

For several weeks it has been a problem to get these 12 o'clock games started on time. One or two members of various teams have been delaying the starts because of tardy arrival. But in other weeks, the games have been fast after they once got started, and in each case nine innings were completed.

Sunday it was a different story. The game didn't get underway way until 12:30, and immediately starting pitchers developed streaks of wildness. Campi's pushed over seven runs in last half of the first inning, on three hits, four walks and an error, so that this inning alone consumed more than 45 minutes.

Young Christian Workers scored one run in the first inning, and added four more in the second when Greer, Campi hurler, uncovered another streak of wildness to walk two batters and uncorked two wild pitches. Majecki, Serelli and Heinbockel inserted singles in this frame to help in the scoring.

As Walt Remy, who replaced Majecki on the mound for YCW in the first inning, succeeded in taming Campi batters for the next four innings, that team tied the score in the fourth with two runs. Singles by Stromberg and Remy and an outfield fly by Serelli behind a two base error accounted for the scores.

The score remained tied until the last half of the sixth. Two Campi batters had been retired when Tognotti got life on an infield error and promptly stole second. Cotla walked and Cook pried a hit into left field that permitted Tognotti to score with the winning run. The umpires immediately called the game, as it was then several minutes past the deadline.

Sutherland collected two of the five hits made by Campi batters with Serelli banging out two of YCW's seven blows.

In other league games played at the "Big Rec" diamonds, Federal Outfitting Co. easily defeated the Shipfitters 13 to 0 as Clyde Amaral turned in a four hit game; Newman Furnitures took a 9 to 0 decision from Regal Pales; Laundry Workers nosed out Paul's Fountain 5 to 4 and Gordon Realty dropped Western Pipe and Steel 11 to 2.

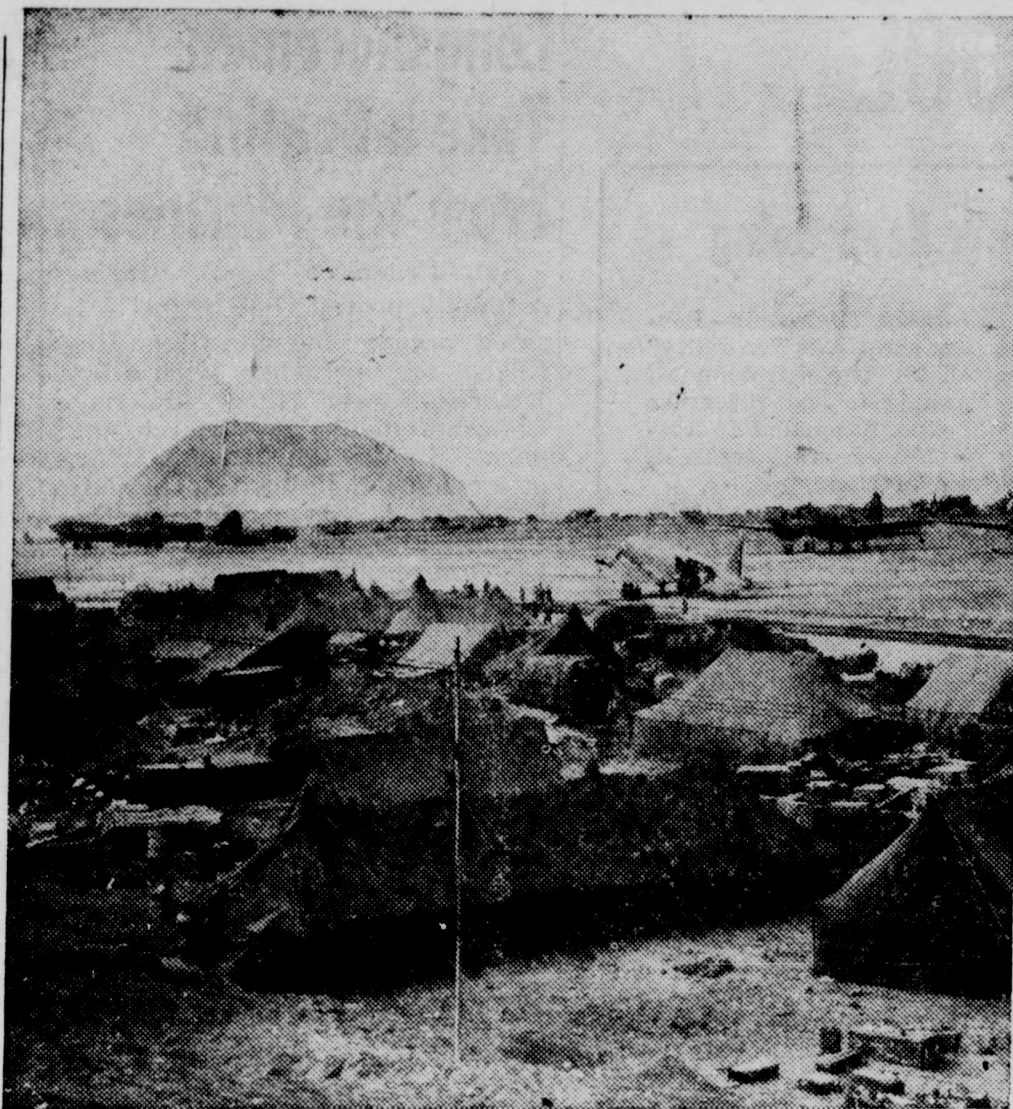

Federal Outfitting and Newman Furnitures remain undefeated at the top of the league standing, with Laundry Workers just behind with one defeat. Gordon Realty has won all its games on the diamond, but has been forced to forfeit two early season games because of use of ineligible players, league officials announced this week.

## NAVY ANNOUNCES SALE OF AVIATION MANUALS TO PUBLIC

Eight manuals in the Navy's aviation training course series have been offered for public sale.

The manuals, published originally to help members of plane crews gain aviation petty officer ratings, are being made available to meet numerous requests from the Army, allied nations and civilians and to meet Navy requests for personal copies. The following manuals may be obtained from the Superintendent of Documents, Government Printing Office, Washington, D. C., by sending cash, money order or personal check:

Blueprint Reading and Layout Work (NavPers 10306), 30c; Aircraft Electrical Systems (NavPers 10315), 35c; Advanced Work in Aircraft Electricity (NavPers 10316), 40c; Airplane Structures (NavPers 10331), 30c; Aircraft Instruments (NavPers 10333), 40c; Aircraft Propellers (NavPers 10336), 40c; Photography, Vol. I (NavPers 10371), 60c; Photography, Vol. II (NavPers 10372), 55c.

## Troop No. 2 Officers Meet at Buttle Home

The officers of Troop No. 2 held a meeting at the home of Mrs. L. Buttle, 226 Crocker avenue, Friday, May 18 after school. They made plans for a hike to their day camp on Saturday, June 2.

They also discussed ways and means of holding meetings. The members have planned what they will do at each meeting during the next three months. Each meeting will be devoted to one special item, such as the first aid course, badges, etc.

The officers present were Jacqueline Bernardy, Carol Olson, Betty Duffy, Magdalena Merino and Ann Allen.

## ODT Ban Will Not Stop P.A.L. Contests At Present Time

A recent ODT ban on certain high school sports and athletic events will not affect high school sports in this area, officials of the Peninsula schools indicated this week.

The ODT ban is aimed at such events as state tournaments, and long trips by contending teams. In view of just such a situation, Peninsula Athletic League heads two years ago split the league into two sections with San Mateo, Burlingame, Jefferson, and South San Francisco competing in the northern section along with Half Moon Bay, which competes only in basketball and baseball.

Sequoia, Palo Alto and the two San Jose schools (San Jose High and Abe Lincoln) compete in the southern section. This eliminates all but only the shortest travel jumps, and even these are made in the northern section by interurban car, school buses and private automobiles, where the latter are available. Buses and automobiles, however, are used only in case of absolute necessity.

Only in championship series between the winners of the two sections does any team travel more than 20 miles, and P.A.L. officials this week indicated their willingness to drop these championship series should the ODT deem it necessary. However, it is not thought this will be necessary, since ODT officials have stated they will not be "hard boiled" in curtailing interscholastic sports.

## 17th District CCPT To Install Officers

An afternoon session for regular business and the officers' installation of Seventh district, California Congress of Parents and Teachers, will follow 12 o'clock luncheon in St. Paul's Episcopal parish house at Occidental avenue and El Camino Real, Burlingame, on Thursday, May 31. Accommodations are limited, and early reservations should be made to Mrs. Clifford Simms of Burlingame.

Mrs. B. D. Ralston of Woodside, third vice president and extension director for the state congress, will be the installing officer. As a district past-president, Mrs. Ralston has chosen the district annual meeting theme: "Attuned to Peace" to title her ceremony for the installation. Presiding over business of the meeting will be Mrs. L. G. Evans, president.

Program chairman is Mrs. Faun Tuska who, with Mrs. George Bruns, hospitality chairman, has arranged the entertainment honoring the new officers.

## HERE'S A CHANCE TO BECOME ENSIGN IN U. S. NAVAL RESERVE

To meet a current and temporary need for prospective Naval Aviators, the Office of Naval Officer Procurement of San Francisco has been authorized to enlist candidates as apprentice seamen to become Ensigns in the Naval Reserve upon successful completion of a two year training course, it was announced today by Capt. C. L. Arnold, USN, (Ret.)

The only civilian eligible for consideration for the limited quota which has been established are physically qualified seventeen year olds who are high school graduates or who will graduate prior to June 25, 1945.

"The Navy is continuing to train pilots as insurance for future needs in the Pacific war," said Capt. Arnold. "The Navy anticipates that the greater part of the quota will be met by enlistment of those whose applications for Naval service are already on file," he added.

Application may be made at the Office of Naval Officer Procurement, 703 Market street, Room 320, San Francisco.

## Sisters of St. Joseph Music Pupils to Be Heard in Recital

A music recital will be given by the pupils of the Sisters of Saint Joseph at Masonic hall, 17 Hillcrest drive, Friday, May 25 at 7 p. m.

At the close of the recital Reverend A. A. McKenna will present diplomas to Nancy Schreiber, Mary Lois Matzek, Mary Louise Schubert, Adrienne Allain, Mary Hanley and Nadine Ochesky who have completed the second grade of music.

The recital, instead of starting at 8 p. m., will start at 7 p. m. on account of the Novena which is being held at Our Lady of Perpetual Help church at 8 p. m.

The public is cordially invited to attend.

## Gen. Pershing P.T.A. Plans June 5 Meet At Pershing School

The regular monthly meeting of the General Pershing P.T.A. will be held on Tuesday, June 5, at the school.

Mrs. Oscar Larson of Menlo Park, recreation chairman of the Seventeenth district, will speak on the value of parent-teachers in our town.

Mrs. H. Boyle's room will entertain the members of the P.T.A. Refreshments will be served at the meeting with Mrs. Marie Smith and Mrs. Martha Stone taking charge of the meeting.

The members of the General Pershing P.T.A. who will attend the 17th district luncheon and installation Thursday, May 31 at 12 noon will be Mrs. Eunice Robinson, Mrs. Eva Derrick, Mrs. Louise Eliason, Mrs. Frances Menstiel, Mrs. Elizabeth Duckering and Mrs. Frances Haussler.

## Mr. and Mrs. Samers Plan Canada Vacation

Mr. and Mrs. Sam Samers, 451 Hillside boulevard are very busy making final arrangements to leave Daly City for Winnipeg, Canada, around the first of June.

This trip is being made so that Mr. Samers may spend many pleasant days with his mother who has not been feeling well. He has not seen her for seventeen years and Mr. and Mrs. Samers are both looking forward to spending a very nice vacation up in Canada.

## Marines Battle For League Lead Here Memorial Day

Daly City baseball fans who have no other plans for Memorial Day (Wednesday, May 30) can do no better than take in the baseball game at Marchbanks park that afternoon. Starting at 2 o'clock, San Francisco U. S. Marines and the Vallejo Navy Barracks Dynamiters will clash in a battle for first place in the 12th Naval District's National league, Northern Division. There will be no admission charged.

Not counting this week's games, results of which could not be obtained at the time this was written, the Marines and the Dynamiters are tied for the top rung in this league, each having won four games and lost one.

The Marines need no introduction to local fans, who saw their colorful 5 to 1 victory over the Longshoremen last Sunday, or who have watched them in their home games at Marchbanks park.

The Dynamiters are the only team to defeat the Marines in league play, this victory, an 11 to 8 decision, being secured at Vallejo early in the season.

Included in the Dynamiter roster are 1st baseman-pitcher Welaj, property of the Brooklyn Dodgers and two aces from the Negro National league, second baseman Johnson and catcher Harris. Probable starting lineup of the two teams Wednesday will be:

Dynamiters—Wade rf; Denison 3b; Mungo cf; Welaj 1b. or p; Enialan ss; Shelton lf; Johnson 2b; Harris c; Smith p. or 1b with outfielders Evans and Rollins two other lads who may break into the starting nine.

Marines—Tschida ss; Norris cf; Couvillion lf; Russell rf; Kremers c; Kozelski 1b; Freese 2b; Goodale or Stark 3b; Dupinski or De La Hunt p.

Russell, former St. Mary's University football and baseball star hit two powerful home runs drives in successive games last week, driving one into the clubhouse door Thursday afternoon, and one into deepest center field Sunday—drives that started the Marine scoring in both these games.

Don't weave in traffic, advises the California Highway Patrol. Nobody is going to drop a bomb on you!

## "Wish my Daddy was home to wear it!"

THAT'S a wish your mother shares with you, little lady. She knows, however, your Daddy still has to finish the job that took him so far away from you.

But you may be sure he is counting on you and mother to keep things at home just as he left them—his civilian clothes brushed and fresh—the pup healthy and frisky—a smile on your lips and a song in your hearts.

And remember, there's one thing the Daddy you're lonesome for would especially like to have someone tell him soon in a letter. What is it? Just that everyone in your neighborhood really did something handsome in buying 7th War Loan Bonds.

## U. S. Marines Take Top Spot In National League

Still on top of the heap in the 12th Naval District's National league. Such is the proud record of Sgt. Don McShane's San Francisco U. S. Marines after Thursday afternoon at Marchbanks park when they bumped off the Mare Island Navy Yard nine 4 to 1 in a fast and interesting game.

Paced by a powerful home run off the bat of right fielder Ed Russell, a drive which carried to the door of the clubhouse in deep left field, and the clover pitching and hard hitting of Sgt. Ronnie De La Hunt, eccentric southpaw, the Marines did not have as much trouble winning the game as the score might indicate.

De La Hunt kept six Navy Yard hits well scattered, struck out nine and walked four. In addition, he proved himself a power at the plate with a double and single in four efforts, batting in one of his team's scores.

Meanwhile the Marines pounced on Dave Davenport, former Chicago White Sox hurler for ten blows. Davenport retired the Marines in order in the first inning, but Russell opened the second inning with his powerful circuit clout and from that moment, the Marines were always ahead.

Third baseman Shanka pulled Davenport out of the hole later in this inning with a sensational double play. Dave had walked Kremers and been cracked for hits by Kozielski and Freese, to fill the bases. He got Goodale on a pop to the second baseman. De La Hunt then hit a hot grounder to Shanka, who went to his left to field the ball, reversed himself to tag third and with a rifle throw whipped the ball to first in time to get the Marine pitcher for the out.

Tschida, first Marine batter in the third was hit by a pitched ball. He promptly stole second and scored as Norris doubled into left field. Couvillion's single put Norris on third and he scored as Kremers was thrown out at first. The Navy Yard infield attempted a double play but Couvillion slid into second ahead of the play there.

The Marines got their last run in the sixth, when Freese walked and went to second on Goodale's sacrifice. De La Hunt shot a hot double down the third base line and Freese easily scored.

The Navy Yard scored their lone run in the sixth on successive doubles by Ferrell and Gonzales. This was the only inning in which De La Hunt permitted an enemy runner beyond second base.

### Catholics Sponsor Whist At Rockaway Beach

A volunteer committee sponsoring a whist party to be given for the benefit of the Catholic church at Rockaway Beach, Saturday, May 26, 8:30 p. m. The whist game will be held in the firemen's hall at Sharp Park.

There will be other popular games for those who do not enjoy playing whist and refreshments will be served following the game. The public is cordially invited to attend and a pleasant evening is assured everyone.

### New Fish Cannery Near Half Moon Bay

The Princeton Packing Co. is rapidly completing construction of a \$150,000 fish cannery at Princeton near Half Moon Bay, and expects to have the plant in operation by August 1. One hundred workers will be employed with preference being given to residents of the Half Moon Bay area.

Main structure of the plant will be 60 by 140 feet, complete with all modern canning equipment. In addition there will be a building 50 by 50, which will be used for processing by-products such as fish oil and fertilizer, and a large warehouse which has already been completed. Sardines will be the principal product, with fish being piped from fishing boats through suction pipes to the warehouse, where they will be cleaned and cut.

A 150 foot wharf owned by the company will be greatly enlarged in the near future, company officials said this week.

## Sgt. Major Winters Writes of Personal Experiences in War

The following letter was received from Sgt. Major Fred Al. Winters, son of Capt. and Mrs. F. W. Winters, 619 San Diego avenue.

"We are living quite ritzy here in Germany and we have our office in a real nice house, with steam heat, hot water, electricity, telephone and all the things that do not go to make the army, but I like it. We live in a darned nice apartment with all the conveniences of home, with the exception of being so far away from you. We have Polish maids here and they clean up the place and put flowers all over the place. They threw all the Colonel's papers out yesterday, and I gave them hell, but they didn't understand a word I said, so I guess they are happy, at least all the other Russians, Poles, French, Belgians and Hollanders are happy that the Americans have freed them from the Germans.

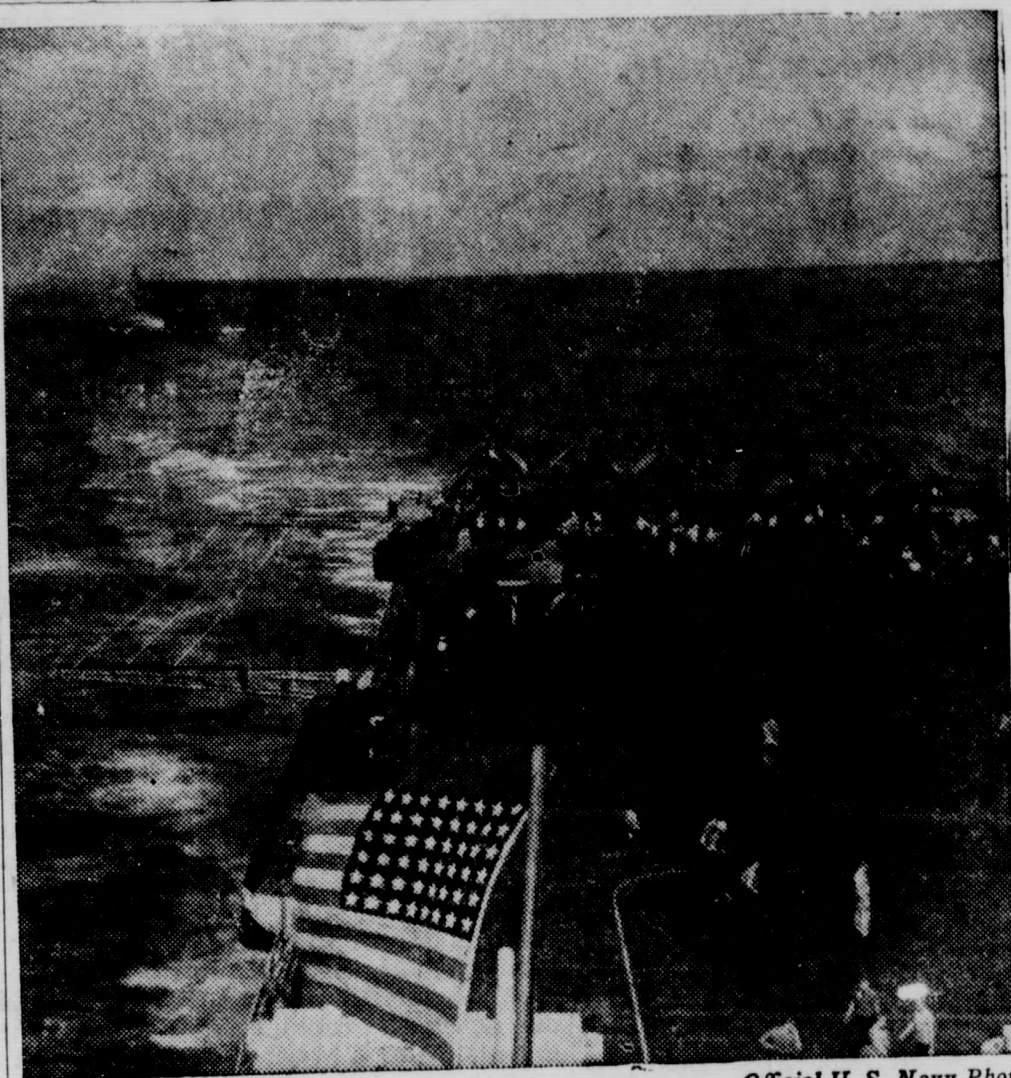

"On March 6, the Germans took out anywhere from 200 to 2,000 Russians (depending on who is telling the story) and started marching them through the woods. They would stop and have the Russians dig a large hole, and then shoot from five to ten of them and have the others bury them, then they would go a little farther and repeat the same procedure until I guess they had to bury the last one themselves. The Russians in the slave labor camp knew where some of these were buried, and they started digging them up after the Americans freed them and were burying them in a little graveyard they made on the side of the hill. One of the outfits up here saw what they were doing and was told the story and immediately they started rounding up all the male Germans between the ages of 10 and 60 and brought them to the scene where the Russians were digging and really got the Germans on the ball digging up the dead Russians and burying them. Germans were taken from their homes and wherever they could be found, and they will continue to remove the remains of the Russians from their mass graves and will re-bury them in separate graves. The Germans have no doubt whatsoever that the Americans will shoot them if they refuse to dig, and I am sure all the freshly dug graves do not contain Russians.

"This is only one instance where the Germans are being made to see for themselves just what Nazism stood for. Many others are taking place, but I am afraid that they are being treated too good in most cases.

"If you want to pass this story on to the Daly City Record they might use part of it to show just what we are actually fighting for, and why this Nazi machine has to be broken entirely. There should be no getting soft and feeling sorry for any of them.

"Previously, while in Belgium, I had German prisoners working for me and I'll admit I felt sorry for them, but it didn't take long to get to hate these people after being here in Germany awhile.

"I only hope that our Congressmen accept the invitation to visit some of these concentration camps and bring home pictures and stories about them to circulate throughout the nation, for any doubting Thomas we might have back home."

## Court St. Mary Elects New Officers

At the regular monthly meeting of Court St. Mary No. 1155, C. D. A., which was held Thursday evening in Masonic hall, 17 Hillcrest drive the following officers were elected:

Grand regent, Mrs. Catherine Salisbury; vice regent, Mrs. Camille Clark; prophetess, Mrs. Helen McDonough; lecturer, Mrs. Elizabeth Powers; historian, Mrs. Frances Tamony; financial secretary, Mrs. Evelyn Weckerle; treasurer, Mrs. Christine Michelsen; monitor, Mrs. Ida Forest; sentinel, Mrs. Eileen Drexler; trustees, Mrs. Elizabeth Klinkner and Mrs. Marie Keminetz and organist, Mrs. Hattie Kelly.

After the election of officers refreshments were served in the social hall. A Holy picture was at each member's place at the table and it was the gift of the outgoing regent, Mrs. Helen Rode. Chairman in charge of the affair for the evening was Mrs. Gladys Waldin.

## Navy Boys Prefer Photographs

Most popular gift sent to Navy men overseas, according to a Navy Mail Service survey, is found to be photographs of their families and friends.

Most unpopular gift? Candy! The "disappointing" list includes all kinds of perishable foods and sweets that are inedible on arrival and such items as cigarettes and fancy shaving kits, which are usually obtainable at ship's service stores at Navy bases or aboard ship.

Top-ranking gifts states the survey, are: photographs, canned snack foods (such as olives, sardines, etc.), books, writing cases, service watches, good pipes, pens, engraved identification tags, waterproof wallets and cigarette lighters.

Remember your gift must be strongly wrapped to withstand thousands of miles of travel under wartime shipping conditions so, whatever your choice for son, husband or father overseas, be sure your gift is protected against rough handling.

## Sea Scouts Move Into New Headquarters

Last Friday evening the boys of Sea Scout Ship No. 144 moved into their new landship located on Vista Grande near San Diego avenue. They spent the evening moving all their equipment and getting the place in ship shape condition.

Anyone interested in this type of scouting should get in touch with Skipper Mel Battye, 141 Acton street, or go down to the meeting place any Friday evening at 7:30. Enrollment will only be open to about 6 or 7 boys, so if any boy is thinking of joining he better hurry and sign up.

## PAL Athletes Star In Meet At Stanford

Peninsula Athletic League high schools finished in top spots of the two division North Coast Section track meet at Stanford University last Saturday, their splendid showing a fine indication of the high class ability of the P.A.L. athletes.

Palo Alto and Abe Lincoln (San Jose) teams raced Richmond High right down to the wire in the unlimited section, the East Bay school finishing with 30 points, to Palo Alto's 29½ and Lincoln's 29.

Sequoia, San Mateo finished, one two in the 125 division, the Cherokees finishing with 17 points, and San Mateo with 13½. Eddie Mack of San Mateo broke the NCS record in the 125 division broad jump, leaping 21 feet, 9¾ inches.

More than 30 high schools from as far north as Ukiah, south as far as Salinas and Monterey were entered in the meet.

## Jeff Hi Selects Outstanding Athletes

Don Welsh, student body president, and Violet Sharp were recently selected by the physical education departments as the outstanding boy and girl athletes for 1944-45.

These two outstanding students will have their names inscribed on the permanent gold trophy cups, it was announced last week.

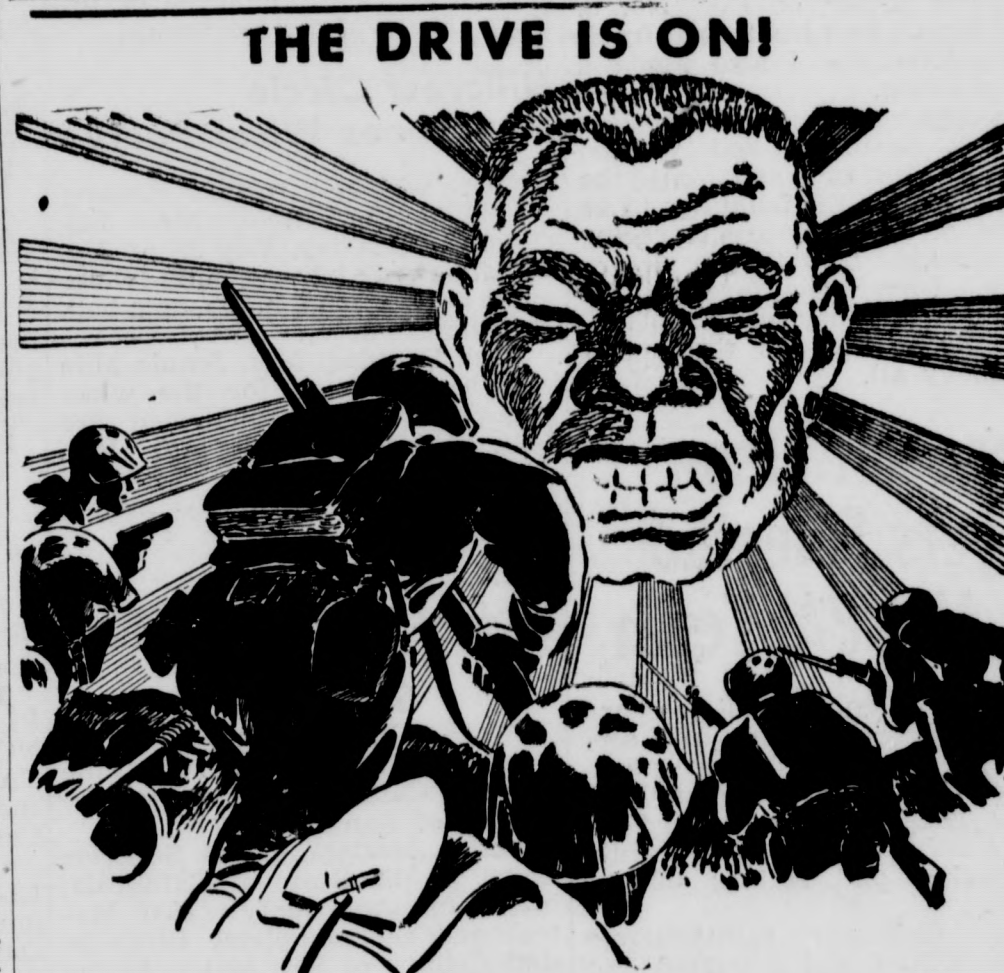

Previous students who have won this distinction were Bill Freeman and Louise Baciocco, 1942-43; Ted Prescott, Don Nelson, and Helen Oxley, 1943-44.

This tradition was established by the physical education department in 1938.

## No Dance Scheduled at Youths Center Saturday

## Forty Cubs Enjoy Events at Regular Monthly Pack Meet

The regular monthly Cub pack meeting was held at the Grace Church of the Nazarene, Vista Grande and Santa Barbara avenues, Friday, May 18.

About 40 boys of the different Cub packs and four Boy Scouts, George Robinson, Bob Alsdorf, Ted Cobb and George Ritter served as den chiefs at the meeting.

The den mothers present at the meeting were Mrs. Mary Conti of Den No. 4 and Mrs. Ruth North of Den No. 2. Guests present were Mrs. Marie Curry, Mrs. Esther Blaylock, Mrs. McFall and Mrs. Bjerke.

Dan Bertelli and Allen Cooley joined Friday evening and were assigned to Den No. 6 of which Mrs. Inez Severetti is the leader. They meet at Mrs. Severetti's home, 86 Hillcrest drive, every Friday afternoon at 4 p. m.

Walter Bjerke and Floyd Leonard received their wolf cub badges.

Claire Curry of Den No. 8 was awarded the first year service star.

Members of Cub Den No. 4 have been working in their victory garden located at the corner of Santa Barbara and Los Banos avenues.

Cub Den No. 6, under the direction of Den Chief George Robinson, entertained the Cub Pack with a Cub version of "Truth or Consequences." According to Joe Straughan there were more "consequences" than "truth" for the event.

The boys also enjoyed contests such as horse and rider, crawling, and somersaults in which boys from the different dens took part. Boys who won were Ray Riggs, Den No. 4; Ronald Checchi, Den No. 5; Dan Bertelli, Den No. 6 and Billy Ritter of Den No. 8. David Guido, Den No. 8 and Frank Garcia, Den No. 4 also made a good showing.

The boys went out to Camp Boy Joy last Saturday and worked stacking lumber and on the foundations for the buildings to be erected there. They are terracing the hillside for their victory garden. Under the direction of Joe Straughan they made a blackberry pie which was thoroughly enjoyed by all.

## Three Jefferson Players Selected For All-NPAL Team

Catcher Ben Parodi, second baseman George Perada and center fielder Don Welsh were members of the Jefferson Union High School baseball team named on the All-NPAL first team recently by coaches and scribes of the league.

Two all-league teams were named, a first and a second, but no Jefferson lads were selected for the latter nine.

San Mateo also placed three men on the first team, with two from Burlingame and one from South San Francisco completing the list. South San Francisco secured four second team places, with three going to San Mateo and two to Burlingame.

Lineups of the two teams were: First Team—Parodi c; Tom Pellizzer (SM) p; Bill Bule (B) 1b; Perada 2b; Milt House (SSF) ss; Dick Fischer (SM) 3b; Don Gabrielson (B) lf; Welsh cf; and Jim Mose (SM) rf.

Second Team—Sekins (B) c; Brandi (SSF) p; Adams (SM) 1b; Cannon (B) 2b; Sterger (SM) ss; Coffin (SSF) 3b; Alt (SM) lf; Verna (SSF) cf; Lovi (SSF) rf.

Hal Tikkanen, Jefferson's lad of all positions, failed to make either team, perhaps through Coach Hall's using him on the infield in one game, in the outfield the next. However, Hal turned in some brilliant playing for the Indians, and on numerous occasions, showed he possessed a far better than average knowledge of baseball. Such things as throwing the ball to the right place at the right time, shifting positions in the outfield for various batters etc., convinced this writer "Tik" knew his baseball, and indicates he might go far in the game if he so desires.

### Report On Winter Trip to Massachusetts

Mr. and Mrs. Gerald Beatie, 750 Templeton street returned to Daly City around the end of March after a trip to the Berkshire mountains in Massachusetts.

The trip was made in January to visit Mrs. Beatie's mother, Mrs. Lucy Munson, who lives there. Mr. and Mrs. Beatie made the trip in honor of their 20th wedding anniversary and also celebrated Mrs. Beatie's mother's 80th birthday while there. The winter was very severe and there was from 10 to 12 feet of snow during their visit, but they enjoyed themselves very much.

The Beaties have lived in Daly City about 6 years. Mr. Beatie is employed by Foster and Kleiser company and has been with the company since the start of the war, about 4 years.

### Mrs. Nellie Leahy Undergoes Operation

Mrs. Nellie Leahy, wife of Bert Leahy, employee of the Daly City Municipal Water department, was operated on at St. Mary's hospital over a week ago. Mrs. Leahy is wished a speedy recovery and her many friends hope to see her up and around again in a short time, and enjoying good health once again.

Mr. and Mrs. Leahy reside at 200 Vista Grande avenue with their two children Dorothy and Richard.

### Mrs. Charlotte Ford Recuperating from Illness

Mrs. Charlotte Ford, 65 Parkview avenue has been seriously ill and was operated on several weeks ago at St. Mary's hospital. Mrs. Ford is slowly regaining her health and her many friends wish her a speedy and complete recovery.

She is living with her son, Gus Ford, who is an employee of the Daly City Water department.

## Here's One For Ripley to Check

This one could only happen in the good old U. S. A.

"Red" Houghton, who worked behind the plate for Harry Maloney's Longshoremen Sunday at Marchbanks park, in their game against the San Francisco U. S. Marines, is really Captain Houghton of the U. S. Marine Corps.

Stationed at one of the Marine posts in San Francisco, he outranks all the members of the Marine baseball team, who are non-coms and privates.

But that didn't make any difference Sunday to the Marine players and their fans. Captain Houghton came in for a lot of good-natured razzing as the Marine lads, who are pretty fast on the bases, stole four bases. Nor did it make any difference to Houghton, who took it all good-naturedly, and tried his best to defeat the men of his command. He was one of the two Longshoremen batters, Sgt. Duplinski, Marine hurler, had trouble getting out of there, cracking out two hits and drawing a walk in four times at bat.

Houghton would like nothing better than to be able to play with the Marine team, but pressure of official duties prevents him from playing ball at any other time than on Sundays. But he refuses to put Sgt. Don McShane, team manager, on the spot, by trying to play one game a week, and contents himself by playing with outside teams that may need a good catcher on weekends. He knows McShane has built up his regular team through intensive week day practices and by playing three or four games a week.

Like most of the regular Marine players, Capt. Houghton has served a hitch over-seas and is now stationed here, resting up, preparatory to going back to the more serious job of whipping the Japs.

Are you entitled to wear a "target" lapel button? You are if you are investing at least ten percent of your income in War Bonds every pay day. It's your badge of patriotism.

Accidents will decrease when more drivers look out for the road ahead and fewer for the cop behind.

#### SUMMONS TO ESTABLISH TITLE

No. 38435

In the Superior Court of the State of California, in and for the County of San Mateo.

ROBERT B. GAYLORD, SR., Plaintiff

Vs.

ALL PERSONS CLAIMING ANY INTEREST IN OR LIEN UPON THE REAL PROPERTY HEREIN DESCRIBED OR ANY PART THEREOF. Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in, or lien upon, the real property herein described or any part thereof, defendants, greeting:

You are hereby notified to appear and answer the complaint of ROBERT B. GAYLORD, SR., plaintiff filed with the Clerk of the above-entitled Court and City and County, within three months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of Burlingame, County of San Mateo, State of California, particularly described as follows:

The Southwesterly 1/2 of Lot 3 in Block 11, as designated on the map entitled "MAP NO. 2 OF THE PROPERTY OF THE BURLINGAME LAND CO., SAN MATEO COUNTY, CAL." which map was filed in the office of the Recorder of the County of San Mateo, State of California on February 20, 1905 in Book "D" of Maps at page 38 and a copy entered in Book 3 of Maps at page 55, more particularly described as:

BEGINNING at a point on the northwesterly line of Burlingame Avenue, distant thereon 260 feet southwesterly from the southwesterly line of Primrose Road, as shown on the map above mentioned; thence from said point of beginning and along said line of Burlingame Avenue, southwesterly 50 feet to the southwesterly line of Lot 3 in Block 11, as shown on said Map; thence running northwesterly and along said southwesterly line of Lot 3, 191 feet to the northwesterly line of said lot; thence running northeasterly, along said northwesterly line of said lot, 55 feet 1/2 inch; thence running southeasterly 191 feet 3 inches, more or less, to the point of beginning.

And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that his title to said property be established and quieted; that the Court ascertain and determine all estates, rights, titles, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consists of mortgages or liens of any description; that plaintiff recover his costs herein and have such other and further relief as may be meet in the premises.

(SEAL)

Witness my hand and the seal of this Court.

Dated: April 28, 1945.

W. H. AUGUSTUS,

Clerk.

## Picture Title Suggests "Buy Bonds"

Hollywood has done it again—with a smash-bang entertainment short featuring Vivian Blaine, Jeanne Crain, Bing Crosby, Linda Darnell, Betty Grable, June Haver, Bob Hope, Harry James and his orchestra, Faye Marlow, Harpo Marx, Fibber McGee and Molly, Carmen Miranda and Frank Sinatra—more star names than have ever before been packed into 19 minutes of screen entertainment! Now at the Daly City theatre. This salvo of stars is sighted on a big-time target! From what we hear of the song, laughter and dance that have been poured into the "All-Star Bond Rally"—right from the hearts of Hollywood's greatest stars—you'll want to put seeing this exciting picture on your "must" list. And need we add—buy an extra bond!

The reason one-armed drivers get into trouble is that they are prone to hug the wrong curves.

Famous Last Words: "These tires are just as safe as the day I bought 'em six years ago."

## Calif. Teachers Hold Meeting at San Francisco Hotel

"Three problems face educators in all sections of the United States," stated F. L. Schlagle, president of the National Education association, at the special meeting of the Bay Section council, California Teachers association, in the Sir Francis Drake hotel, San Francisco, last Saturday. These problems are:

"1. Training program in adult education. Millions of young people will be seeking to re-enter school after the war.

"2. High school boys and girls who left school to enter industry must return to the classroom to complete their schooling.

"3. Servicemen will need special consideration. School programs must be built up for them. Many of these men have just finished elementary school."

Schlagle declared: "Teachers can be proud of the record made by students, but we must not overlook our shortcomings. One million seven hundred thousand men were rejected by selective service boards as they were unable to meet minimum standards of the Army and Navy."

Dr. William G. Carr, associate secretary of the National Education association, and an official consultant to the United Nations conference, spoke briefly, and stressed the importance of education as an instrument of peace. It is possible that a world conference on education will be held in the United States before the end of the year. The National Education association will be a sponsor of the conference.

Dr. Wallace W. Hall, vice-president of the Marin Junior college and president of the Bay Section council, presided at the session.

Clive M. Saiz, of the local high school, who is a delegate to the council from San Mateo county, attended the all day session.

## Red Cross Plans Tours for Delegates

Invitation to UNCIO visitors and their families to visit San Francisco Chapter, American Red Cross installations, is extended by chapter officials with organization of regular Tuesday and Thursday afternoon motor tours to continue for duration of conference sessions.

Tours, arranged to cover inspection of major Red Cross offices throughout the city, include stops at Volunteer Special Service headquarters and production workrooms at 450 Gough street, the Alta Plaza Arts and Skills workshop, and the San Francisco Blood Procurement center, 2415 Jones street.

Tours were scheduled as a result of interest shown by delegates, many interested in Red Cross in Eastern cities or European countries through International Red Cross, who called headquarters of the organization for information on its domestic operations.

Numerous delegates arriving days in advance of the official conference opening took advantage of the time to visit the blood procurement center for a tour of the technical unit, while volunteers report many others visited production workrooms to extend their personal thanks to women for work on civilian relief supplies, made by chapters throughout the country for distribution abroad.

## Mrs. H. R. Peters Is Called to Los Angeles By Illness of Father

Mr. and Mrs. H. R. Peters of 151 Irvington street, left for Los Angeles to visit Mrs. Peters' father who is seriously ill. They left here Friday, May 11, and expect to be gone until about the first of June.

Mr. and Mrs. Peters have lived in Daly City about six years. They have three children: Jacqueline, 17, who is now working at Hunters Point, and two younger children, Robert 11, who attends Crocker Grammar school and Barbara 9, who attends General Pershing.

Mr. Peters is Chief Warrant Machinist Mate and is now stationed at Oak Knoll. Upon their return from the south Peters will report back to his station, and then expects to go overseas.

## NHA Authorizes Immediate Construction Of 1250 New Homes In San Mateo County

Authorization for immediate construction of approximately 1250 new homes in San Mateo county was made Monday by the National Housing Administration, which announced that an overall total of 7500 houses had been allocated for the Bay area.

According to Kenneth Lieb, NHA representative in San Francisco, under FHA title 2, 17 per cent of the new homes in each district must be built solely for rental purposes; 12 per cent will be allocated for construction by individual owners for their own occupancy; the remainder will be permits to contractors and other persons building them for sale.

A maximum ceiling of \$7500 for house and lot has been placed on each home permitted under the new authorization. Under FHA title 2, houses can be financed for a down payment of 20 per cent.

Lieb said that all individuals and contractors should make application at once to the Federal Housing Authority, 315 Montgomery street, San Francisco.

The three-fold object of the new program is:

(1) To relieve the housing shortage; (2) To tool up the building industry for the vast amount of home construction which will be under way shortly; and (3) To put the brakes on the inflationary trend of the real estate market.

## Brownie Scouts Help Sell War Bonds

Four Brownie Scouts from Troop No. 11 sold bonds at the Daly City Theatre during the week.

Tuesday, May 15, the two Brownies who sold bonds were Carol Pontbriand and Margaret Cripps.

Sunday, May 20 Brownies Barbara Erickson and Lorna Perrier sold bonds along with Mrs. Erickson, their leader, and Mrs. Vera Perrier co-leader.

Dale Hammes was invested into the Brownie Scouts at the regular meeting held on Wednesday, May 23, 3 p. m. at Theta and Mission streets.

## FOR PHILIPPINES

More than 60 tons of clothing and emergency supplies have arrived on Luzon, comprising the first shipment of nearly 1,000,000 garments being sent to the Philippines by the American Red Cross. They were distributed immediately to civilian and military casualties, liberated prisoners of war and civilian internees, and to civilian non-casualties upon recommendation of the Army.

Additional Red Cross supplies for civilians are being shipped from the United States at the request of the military authorities.

# EMERY ROWLEY WINS LOCAL SCHOOL ELECTION

In the lone contest of last Friday's school election here, Emery E. Rowley defeated L. H. "Larry" Comer, 247 to 102, for the membership of the Board of Trustees of Jefferson Elementary School district. Colma City Clerk E. A. Weisenburger and Mrs. Pearl Jones, incumbents, were reelected to the Jefferson Union High School Board of Trustees and Carlton W. Herrmann and Col. Charles N. Kirkbride, San Mateo residents, were reelected to the Board of Trustees of San Mateo Junior college, all without opposition.

Despite strenuous efforts during the closing days of the pre-election campaign on the part of supporters of both Rowley and Comer to get out the vote, only 349 votes were cast. Rowley was backed by members of the various PTA organizations, while Comer had the "blessing" of retiring trustee, Police Judge Wm. J. Sweeney, and the backing of individual members of the Daly City-Colma Lions' club of which he is incoming president.

Although he carried all three voting places by comfortable margins, Rowley received his greatest support in his home precinct, Jefferson school, where he polled 61 votes to Comer's 17. Vote was closest at Crocker school where Rowley secured 56 votes and Comer 35. Heaviest vote was recorded at Woodrow Wilson school, where a total of 180 votes was cast, Rowley receiving 130 and Comer 50.

Rowley, transportation consultant of 19 West Cavour street, will succeed Sweeney, who refused to run for reelection, after holding the office for several terms. It was the second office Rowley had been named to in a week's time, he having been named as a member of Daly City Civil Service Board of Review by the Daly City Council, Monday night, May 14.

Complete official vote on high school and junior college trustees could not be secured at time of going to press, as official canvass of the votes had not been completed at that time. However, there were few, if any, write-ins, for any of the places, voting officials indicated.

## Vets In Hospitals Are In Need of Musical Instrument

"Musicians without instruments"—that is the problem of convalescent patients at Mare Island hospital revealed in requests channelled through the Red Cross Camp and Hospital committee.

Eager to "beat it out" with syncopated rhythm, two band leaders and many other first rate musicians are stymied because no brass instruments are available to them at the U. S. Naval hospital, Mare Island, according to hospital workers. The patients wish to use their talent so that other wounded veterans may dance to music other than juke box recordings, explains Mrs. Selah Chamberlain, chairman of the Red Cross Camp and Hospital committee.

"If patients had music for dancing," Naval authorities cite, "they could try out their new artificial legs and gain confidence in their ability to perform as they did before the war. If they could play in an orchestra again, they would overcome some of the shyness developed over long periods of silent watching in jungle foxholes; they could meet girls in a social atmosphere instead of in the atmosphere of pain and anxiety of a hospital ward; they could laugh and mix and forget themselves; they could be young again!"

Any type of musical instrument will be welcomed by camp and hospital. Mrs. Chamberlain appeals. Persons with articles to contribute are asked to call Red Cross Volunteer headquarters, 450 Gough street, telephone UNderhill 6000, for arrangements for pick-up service.

## Former Record Employee Now In U. S. Navy

Robert J. "Bob" Keely, who will be remembered by Daly City merchants and residents as advertising and circulation manager of the Record in 1940 and 1941, is now in the United States Navy.

Inducted into the Navy some three weeks ago, Keely is now a seaman with Company 45-199 of the U. S. Naval Training Command in San Diego. After leaving the Record's employ, Keely was advertising manager of the Burlingame Advance until his induction into the Navy.

## Brownies of No. 8 Hold Mothers Party, Investiture Thurs.

Brownie Troop No. 8 held a mothers party and investiture ceremony Thursday afternoon, May 17.

Kathryn Kennedy greeted the guests and presented each one with a lovely corsage.

The program began with a flag ceremony with Joann Van Vliet, Heather Bridges, color bearers and Louise Banfield, Joan Jobson, color guards. The salute to the flag and the Brownie promise were led by Claudina Hyder and all joined in singing "America." A recitation "Her Mother" by Joan Jobson, a song by the new Brownies and a play entitled "Helping Mother" was presented by Joann Van Vliet, Joan Jobson, Nancy Findlay, Evelyn Rolff, Louise Banfield and Heather Bridges. A song entitled "Mother" was sung by the entire troop at the conclusion of the play.

The investiture ceremony, which is one of the Brownies most impressive and enjoyable ceremonies, followed and Jeanne Saame, Carole Hesselein, Darlene Haynes and Arlene Trapp were invested as Brownies. Yearly membership pendants were presented to Louise Banfield, Heather Bridges, Nancy Findlay, Diane Ferger, Claudina Hyder, Joan Jobson, Donna Kollman, Kathryn Kennedy, Evelyn Rolff and Joann Van Vliet. The leaders, committee members and all Brownies received their registration cards for the year beginning April 1945 and then all joined in repeating their Brownie promise.

June Lemon and Janet Peterson, Senior Girl Scouts, were honored guests as they at one time belonged to this troop and were two of the first Brownies to be invested in Daly City when the first troop was organized.

Gifts and cards made by the girls were presented to their mothers. Refreshments were served by the newly invested Brownies acting as hostesses. The delicious cookies were made by Louise Banfield, Evelyn Rolff, Heather Bridges and Kathryn Kennedy at the home of their leader, Mrs. Hilda Heagney, Wednesday, May 16 after school.

A circle was formed around the "Fairy Pool" (which is part of the ceremony) and the Brownie "Good Night" song was sung and a wish was made for the troop's success for the coming year.

The mothers present at the party were Mrs. Alfred Banfield, Mrs. Frank Bridges, Mrs. Aleck Findlay, Mrs. Wm. Haynes, Mrs. Emil Hesselein, Mrs. Wm. Hyder, Mrs. Reginald Jobson, Mrs. Dan Kennedy, Mrs. Henry Rolff, Mrs. John Saame, Mrs. Arthur Trapp and Mrs. John Van Vliet. Other guests were Mrs. Emery Rowley, leader of Brownie Troop No. 10 and Mrs. Marie Clifford, June Lemon, Janet Peterson, Senior Girl Scouts, and two former Brownies, Girl Scouts Shirley Saame and Joan Clement and several little sisters and brothers of members of the troop were also present.

## Bethel No. 26 To Honor Grand Officers

Bethel No. 26, I.O.J.D. will honor Grand Guardian Mrs. Ruth Harper and Associate Grand Guardian Mrs. Harold Aggeson of California, Friday, May 25, 7:30 p. m. at Mission Masonic temple, 2668 Mission street, San Francisco.

## Teachers Attend Special Institute At Burlingame High

The teachers of San Mateo county had an opportunity to attend a special institute session Monday evening at Burlingame High school when a United Nations program was presented by the San Mateo County Teachers' association. The speakers included Dr. William Carr, consultant representing the National Education association; Dr. O. Suratgar, a consultant from the University of Teheran, Iran and Lew Burgess, educational chairman of the Oakland-San Francisco branch of the Newspapermen's Guild. Mr. Burgess was a delegate to the World Labor conference recently held in Oakland and also acted as a press correspondent. He is an accredited press representative to the UNCIO.

Among the teachers attending from Jefferson Elementary schools were Dora Barker, Aisea Belli, Hestor Blaylock, Alice Bryan, Margaret Pauline Brown, Gladys Campana, Hazel Colwell, Rose Coral, Margaret Clarke, Henrietta Engel, Genieve Gannon, Marie Holmes, Ethel Hahn, Evelyn Hosmer, Grace Kearney, Alma Ledwith, Clara Leonetti, Emily Lohr, Winifred McGrath, Maxima Morris, Frances Neece, Norma Rattaro, Naomi Robinson, Alice Sanders, Marie Traynor, Marjory Tobias.

Representatives from J.U.H.S. included Truman Bentley, Marion Hall, Stanford Hannah, Margaret Briggs, Beth Learned, Earl Lewis, Eunice Philbrick, Marjorie Reandeau, Clive M. Saiz and Ethel Wine.

## Fourteen Hundred Receive Social Security Payments

Fourteen hundred persons were on the rolls of the Social Security Board for monthly payments in San Mateo county as of April 1, 1945 it was announced by E. J. Foley, manager of the board's San Mateo office. This represents an 11 per cent increase over the end of 1944.

The total payments in force amount to \$32,600 per month—a yearly rate of \$391,200.

Monthly payments are also made to dependent parents where the wage earner died leaving no widow or child.

Foley also reminds retired wage earners who have worked since they originally filed for retirement payments that an increase in their payment may be due. Those who believe their rate may increase are invited to call or write to the San Mateo office.

Many persons lose payments, he said, by not filing on time and emphasized that all persons should inquire if they believe some payment is due. This applies not only to retired workers but also to wives who have reached 65 since their husbands retired as well as to widows who have become 65 since filing for benefits at the time of their husband's death.

"We wish to make all payments that are due," Foley said, "and for that reason I urge all persons to inquire when they become 65 or their survivors to inquire at the time of the wage earner's death."

The San Mateo office of the Social Security Board is located at 308 Baldwin avenue, San Mateo and serves the residents of San Mateo county. Office hours are from 8:30 to 5 daily except Sunday.

## OPA Announces New Regulations On Rental Property Sales

New regulations affecting landlords who have acquired rental property after the property had been registered with the OPA were announced today, the regulations requiring that such landlords report their names and addresses on a form supplied by the local rent office of the Office of Price Administration.

Commenting on the new ruling, Henry A. Cross of the OPA, said:

"The form must be filed before May 31, 1945, if the change occurred between the date of filing the registration statement and May 5, 1945. If a change has taken place since May 5, or occurs in the future, the report must be filed within 10 days after the change occurs."

"The most frequent cases will be those where rental property has been sold. The new owner must now inform the OPA rent office that he has purchased the property and supply an address to which any official communications can be sent. Any landlord, however, if he or his agent did not file the original registration statement with OPA must give this information."

"Such reports are designed to enable OPA to notify promptly such new landlords of any action before the area office involving the landlord's property. In the past, notices from area rent offices frequently were directed to former landlords, and the current landlord, being unknown to the area office, frequently failed to receive such notices."

"In those cases where rental property has changed hands, and the new landlord has not obtained the former landlord's copy of the original registration statement, OPA will now provide the new owner with a copy."

## Crocker PTA Officers Meet at Hobbs Home

Mrs. Eve Hobbs, president of the Crocker P.T.A., held an officers meeting at her home, 847 Hanover street Tuesday, May 29, to ratify the chairmen for the coming year.

A luncheon was served to the members at 12 noon.

## ATC Announces Public Inspection At S. F. Airport

In commemoration of its 4th anniversary of operations the Air Transport Command next Sunday, May 27, will for the first time in its history hold a public inspection of its facilities at San Francisco Airport, West Coast Wing headquarters of the ATC, announced today.

On view and open to the public from 10 a. m. until 5 p. m. will be a Douglas C-54B combined hospital and cargo plane and a C-54E plane designed for the transportation of military personnel.

The huge transports will be stationed at the north end of the airport adjacent to the Western Operations Base of United Air Lines, which is a contract carrier for the ATC, operating across the Pacific. Army personnel and United captains and other crew members will be on hand to explain certain details of the ships and of the vast job being performed by the ATC.

The ATC stressed the fact the operations at San Francisco Airport composed only a fraction of the facilities of the West Coast Wing, and said the commemoration activities would be held at numerous other points throughout the United States.

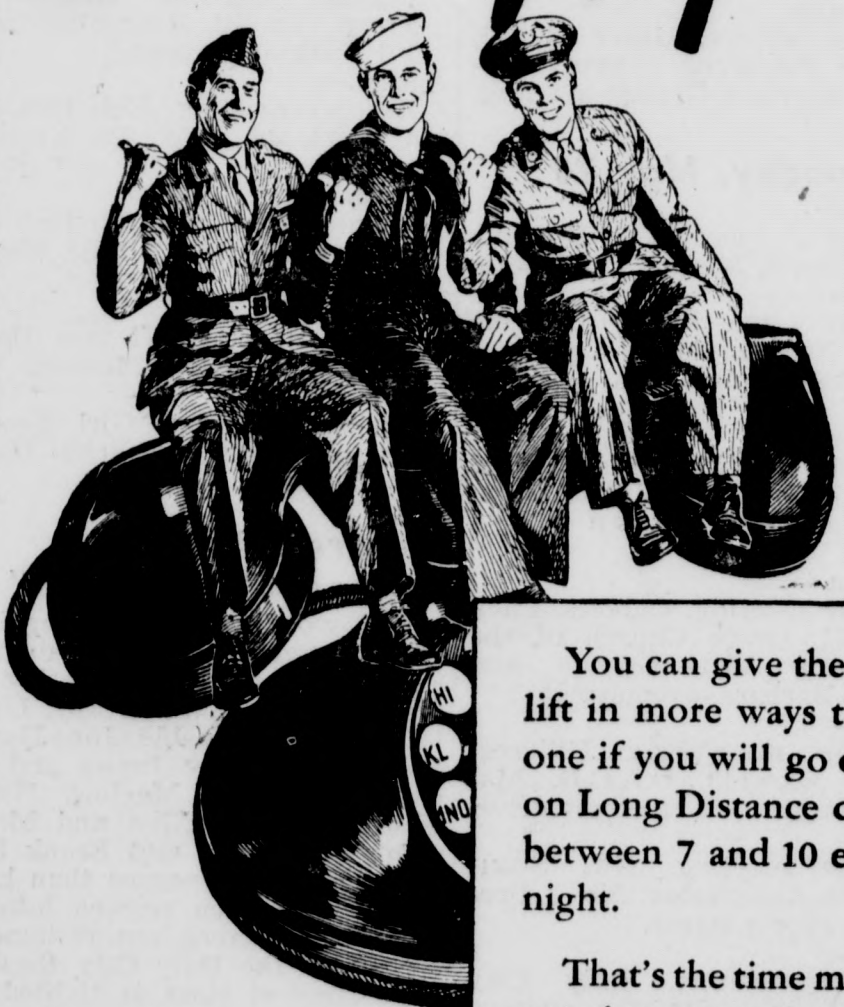

## Scout Troop No. 148 Plans Overnight Camp

Boy Scout Troop No. 148 will hold investiture ceremonies Friday, June 1, at 7:30 p. m. sharp in Holy Angels church, San Pedro road, Colma.

Parents and friends of the boys in the troop, as well as the public, are invited to attend.

Saturday, June 2, Troop No. 148, Troop No. 141, Troop No. 134 and Troop No. 106 of San Mateo county will camp out overnight at Pinelake Camp near Sigmund Stern grove in San Francisco.

## WPB Chairman Urges Vacations For All Workers

More production will be attained if American workers take a week's vacation when it is opportune this year in order to relax and prepare for the tasks that lie ahead before the Allies have at-

tained complete victory. J. A. Krug, chairman of the War Production Board, indicated recently. "America is now engaged in its fifth year of strenuous production of war materials and equipment," Mr. Krug said. "A magnificent job has been done by American workers who have put forth their utmost efforts at the cost of personal strain and hardship due to longer working hours, difficult living conditions, and anxiety about their friends and relatives overseas. While victory

is in sight, we know that we must not relax our efforts and that many more months of hard work lie ahead before we achieve final victory over our enemies.

"American workers have been asked to work longer hours than in peacetime, but not such long hours as will sap their strength and lessen their productivity. On the same line of reasoning, it has become accepted policy that American workers take at least one week's vacation every year in which to rest so that they may

meet the next year's hard work with restored strength and enthusiasm. This year vacations cannot involve travel, but they can mean a restful period spent at home, perhaps catching up on personal and household affairs.

"Because this week of rest is so important if present levels of war production are to be maintained, the War Production Board opposes the practice of giving workers vacation pay as a bonus in lieu of a vacation. More production will be obtained over the

whole year if the worker takes a week off to rest, and do all those things he has been meaning to do, than if he works the entire fifty-two weeks without a letup."

## NEWS OF OUR MEN and WOMEN IN UNIFORM

Pvt. Norman B. Wiseman, 158 Los Olivos avenue, Daly City, has arrived in the United States on furlough from the European Theatre of Operations, where he served three months with the medical department.

Seaman First Class Edward A. Kerger, whose mother Mrs. O. Kerger lives at 428 Bellevue avenue, has been promoted to chief petty officer.

He has been serving with the Seabees on an ammunition barge. His brother, Ernest Kerger, 25 years of age, has been overseas three and a half years. He has spent a great deal of his time in the Philippines, but is now stationed in New Guinea. He expects to be home in a very short time as he has around 90 points to his credit.

With the Dixie Division in Mindanao (Special)—The 31st Infantry Division battalion of which Pfc. George Cademartori of Daly City is a member, defeated a force of 600 Japs on the Sayre National highway recently in what was described as "the first meeting engagement in the Pacific war." A meeting engagement is a battle in which two opposing columns marching head-on collide.

The 31st met the enemy just before midnight and the fight raged in the tall cogon grass on either side of the highway until dawn before the Japs broke and retreated. Cademartori, a fisherman in civilian life, lives at 19 East Moltke street, Daly City.

An Eighth Air Force Bomber Station, England—First Lieutenant Oliver J. Granucci, 26, of Daly City, pilot of an Eighth Air Force B-17 Flying Fortress, recently took part in the 300th mission of the 388th Bomb. Group, as the aerial war against Germany neared an end.

The group, commanded by Lieutenant Colonel Chester C. Cox of Superior, Wisc., flew its first mission to bomb a motor plant at Amsterdam in Holland on July 17, 1943, and rounded out 21 months of battering the German war machine with its 300th combat trip, an attack on fortified areas near Bordeaux, France.

As it helped to pave the way for the Allied invasion and sweep across Germany, the 388th Group ranged across the whole of Europe cooperating with Allied ground forces, striking at targets in virtually every corner of Germany and Nazi-controlled countries — oil refineries, aircraft plants, airfields, heavy industries, port installations, railroad yards, enemy troop concentrations and flying bomb factories and launching sites.

The group flew in the first shuttle mission to Africa when Messerschmitt plants at Regensburg were bombed, it was assigned to lead all heavy bombers over Normandy on D-Day, it led the first Eighth Air Force shuttle mission to Russia, and its planes led the Eighth Air Force to Berlin in February, 1945, when a record tonnage of bombs was dropped on transportation targets in the Nazi capital. One week the 388th bombed military targets in Berlin five times.

Lieut. Granucci is the son of Mr. and Mrs. O. B. Granucci of 169 Mateo avenue, and was a salesman for Gooderham and Worts of San Francisco before entering the AAF in August, 1942.

Coast Guardsman Edward T. Allen jr., whose parents live at 6754 Mission street, Daly City, has learned to do many things since entering the service on May 14, 1943. Among them is the ability to repair his gear and that of his shipmates. He is stationed somewhere in the Central Pacific.

A seaman, first class, he is a graduate of Jefferson Union High school and a former student at California Polytech.

Coast Guardsman C. Olsen, Olsen, son of Mr. and Mrs. Edward Olson, 230 Vista Grande avenue, is recuperating from shock at the Oak Knoll hospital, and getting a well deserved rest.

He arrived here Thursday, May 10 from Honolulu and was stationed for a few days at the Receiving hospital at Geneva and Moscow avenues, before being sent across the bay.

Before his enlistment in 1943, Olsen attended and graduated from the Woodrow Wilson school.

Major John D. McLaughlin, son of Mrs. L. M. McLaughlin, 180 Irvington street, Daly City, was decorated with the Bronze Star medal for "meritorious service in connection with operations against an enemy of the United States," April 23, while serving with the 83rd Infantry Division in Germany.

The medal was pinned on Major McLaughlin by the commanding general of the division and a citation was read by the general's aide. Major McLaughlin is forwarding the citation to his mother by registered mail.

In service since February, 1941, and overseas for more than a year, he already wears four bronze stars for meritorious service in the campaign in France and Germany.

437th Troop Carrier Group, European Theater of Operations—S/Sgt. Robert E. Cullen jr., son of Mr. and Mrs. Robert E. Cullen, sr., 492 Templeton avenue has four times previously been awarded battle participation credit for troop carrier sorties on the Western front, and has now been authorized his fifth bronze battle star, significant of service in five major campaigns in the European theatre of operations.

Climaxing its previous aerial operations, Sgt. Cullen's organization, the 437th troop carrier group made history in the Rhine airborne assault at Wesel, Germany, by being the first troop carrier unit to fly a double glider-tow formation into combat.

Sgt. Cullen is in charge of the operations department of his organization.

The group was cited for its successful fulfillment of airborne drop operations on D-Day in Normandy.

Sgt. Cullen attended the San Francisco university and before entering the service, he was employed by the Richmond Sanitary and acific Can company of San Francisco.

Corporal Justin Warner, jr., U.S.M.C.R., 18 years of age, of the 4th Marine division has been visiting with his relatives, Mr. and Mrs. Jack Fields of 68 Riel avenue.

Warner was born and raised in Daly City and attended both the General Pershing and Crocker schools. His parents, Mr. and Mrs. Justin, have been living in Millbrae for the past six years.

Corporal Warner arrived home about three weeks ago and is now in Oak Knoll hospital, where he is recuperating after being wounded three times in four battles. Warner has received the Purple Heart and Presidential citation for his participation in the battles of Saipan, Taiwan, Iwo Jima and Marshall Islands.

Mrs. Stella Zwolinski of 68 Shakespeare street, recently received a letter from Capt. R. L. McRaney, chaplain of an army hospital in the Pacific area, saying her son Pfc. Edward A. Zwolinski, had been seriously injured May 7, when hit by falling rocks from a blasting during an operation in that area, and was confined to an

Chief Torpedoman Carl Harold Walls, originally from Georgia, has been presented the Bronze Star Medal for meritorious service in action while serving on board a United States submarine.

The above photograph was taken on March 19 at the formal presentation of the award and citation.

Walls' wife Helen Marie and young son Carl Melvin are now making their home with Mr. and Mrs. Horace C. Appleton, 432 Bellevue avenue. Chief Torpedoman Walls has been in the service 8 or 9 years and has been overseas several different times. He has been overseas this last trip for 15 months.

### Pinwheels For Dessert

—By Frances Lee Berton—

YOU don't have to use plain jam as an emergency dessert. Turn your jam into pinwheels and you have biscuits. Serve the biscuits with cream and you have a real dessert — out of the ordinary and more than ordinary, if you catch what I mean.

#### Raspberry Pinwheels

2 cups sifted cake flour; 2 teaspoons double-acting baking powder; ¼ teaspoon salt; 5 tablespoons shortening; ½ cup milk; ½ cup raspberry jam.

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening. Add milk all at once and stir carefully until all flour is dampened. Then stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out on lightly floured board and knead 30 seconds.

Roll into rectangular sheet, ¼ inch thick. Spread with jam; roll as for jelly roll. Cut in 1-inch pieces. Place in greased muffin tins and bake in hot oven (400° F.) 15 to 20 minutes. Serve hot as biscuits; or serve with cream as dessert. Makes 12 biscuits.

Note: Any flavor jam may be used in this recipe.

army hospital at the front.

Pfc. Zwolinski is a member of Battery B of the 93rd AAA Gun Battalion. His condition was reported as poor by Capt. McRaney, but hopes were held out for his recovery.

Zwolinski's brother, S/Sgt. Bill Zolan, served with the Marines during the recent Iwo Jima campaign. Both brothers are members of Colma-Vista Grande Aerie No. 1848, Fraternal Order of Eagles of Daly City and are well known here.

## More Alarm Clocks Due for Civilians

Limitation order L-275, issued April 14, 1944, to control production and distribution of spring-driven and electric alarm clocks, has been revoked to permit manufacturers to increase production whenever the large military contracts they now hold are reduced and materials and skilled labor become available, WPB said today.

Alarm clock manufacturers have been heavily engaged in production of timing devices and other critical military items throughout the war period. Military requirements for these items in connection with the war in the Pacific have not yet been determined, but indications are that they will remain at a high level.

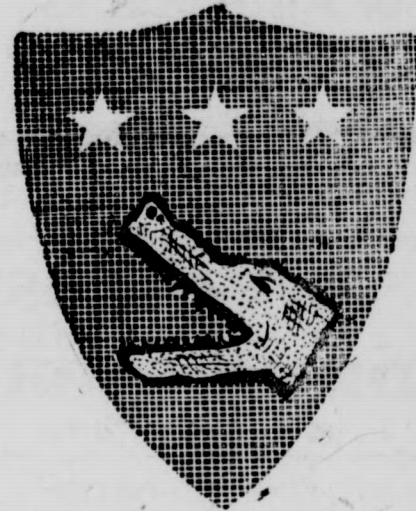

Since the industry uses the same types of supervisory personnel, skilled labor, and machines for the manufacture of war goods as alarm clock production, WPB foresees no sharp increase in the number of alarm clocks that may become available to civilians in the immediate future. The prewar rate of production, estimated at 12,500,000 alarm clocks per year, may not be achieved until the war is over.

Under the order, manufacturers were permitted to produce and distribute alarm clocks in accordance with specific authorizations assigned by WPB. Authorizations for production and distribution of alarm clocks in the second quarter of 1945, issued on Form WPB 2719, are cancelled with revoca-

## William O'Farrell Is Named S. M. City Clerk

At their regular meeting Monday night, the San Mateo City council named William O'Farrell city clerk, to fill the unexpired term of Belton Rhodes, who died May 11. O'Farrell is engineering inspector of San Mateo at present.

O'Farrell's selection was by the customary 3 to 2 vote that has characterized many of the council's actions lately, the minority voting for Frank Shields, property appraiser.

## Inside or Outside Picnics

Picnics and Spring holidays go hand in hand. A novelty all the family will enjoy is a home picnic with a hot dish for the main attraction. Or you may want to pack all the fixin's in the old-fashioned way and let the family prepare their own in the wide open spaces. The suggestions below will give you a head-start for a leisurely day with a minimum amount of time in the kitchen.

### Inside Picnic

#### HOT POTATO SALAD CASSEROLE

Make your favorite potato salad, place in casserole and layer with sliced frankfurters or diced luncheon meat, sliced onions, cooked peas or string beans and dot with mustard and mayonnaise. Top with potato salad and bake in moderate oven (375° F.) 30 minutes.

### Outside Picnic

#### SANDWICHES—"Make Your Own"

Take along—  
Assorted Bread  
Head of lettuce Mayonnaise  
Meat or fish salad Hard cooked eggs  
Peanut butter and jelly

#### MACARONI AND CHEESE SALAD

Marinate macaroni in French Dressing. Combine with diced cheese, sliced olives, sliced radishes, diced onion and mayonnaise. Garnish with tomatoes.

Pickles and carrot circles  
Devil's food cup cakes with white icing or cookies  
Fruit  
Hot Coffee or Lemonade

(Carry lemon juice and sugar in jar. Combine with water and ice at scene of picnic.)

## DRIVE

Put your money in bonds to buy tanks, ships, war quickly!

It is money which this government asks you to lend—at interest—not to give. This year the government demands a greater investment in "E" bonds—the people's bonds—than ever before. One reason for this is that there will be only two drives this year instead of three as before. Another is that idle money in the pockets of the American people will bring inflation unless that money is invested.

## Mrs. America Meets the War...

A favorite preoccupation of many a housewife these days is dreaming of the day when she will be able to buy a new vacuum cleaner or a new electric stove or perhaps a washing machine. Now that these goods are again being manufactured these dreams may become reality. And Mrs. America needn't worry about paying excessive prices in fulfilling her dreams. The Office of Price Administration will set ceiling prices for them, at about the same levels as prevailed in 1942. Dollars and cents ceiling prices stated on tags will be attached by the manufacturer.

Don't pay more than the ceiling price for anything you buy. The danger of inflation is greater than ever. The demand for goods which have been off the market during the war is so much greater than the limited supply which will be available, that without watchfulness on the part of every American to guard against over ceiling prices, we might be caught in a whirlwind of disastrous inflation.

Don't be surprised if you're asked to pay a two-cent deposit for wire coat hangers you take out with newly cleaned or pressed suits. Because of the shortage of wire hangers, dry cleaning shops are permitted to make this two-cent charge. Of course, the money will be returned to you when you return the hanger. If you're in the habit of bringing in a hanger with the clothes, you should receive one with the finished garment without a deposit. No charge may be made for cardboard or other types of hangers, unless such a charge was made by the store in 1942.

One of the most popular of summer fruits... a favorite with both the junior and senior members of the family... are ripe, red cherries. They're just now beginning to appear on the market... you've probably already been besieged by junior to buy some. This year the ceiling prices for sweet cherries for table use will be lower than they were last year. And these prices will be slightly reduced on June 17, reflecting a seasonal increase in the supply of cherries on the market.

Fresh red cod will cost Mrs. America a little more money now, under new ceiling prices which went into effect last week. The whole fish will cost about one cent more per pound. Fillets will cost about two cents more per pound. The same ceiling prices will prevail throughout the year, with no seasonal changes.

Even the most dependable "jalopy" occasionally requires repair or adjustment to keep it in good running order. Such repairs are especially important now when we don't know how long it will be before new cars are available. As a protection for you against exorbitant charges for automotive repair services, the OPA has set specific limits on the hours of labor repair shops may charge in computing prices for 56 common passenger car repair jobs. These ceiling charges will go into effect June 14, and cover repair jobs ranging all the way from minor brake adjustment to the complicated job of installing the crank shaft and bearings.

The repair shop must give you a receipt listing charges made, and there should be a copy of the regulation available there if you wish to check the charges. Your local War Price and Rationing Board or OPA District office will also have information on ceiling charges.

A reduction in the amount of fats and oils available for civilian use was the reason behind the recent increases in point values of lard, shortening, cooking and salad oils. They now require ten red points per pound, instead of six. Stretch your supply of red points by saving waste kitchen fats. Your butcher will give you two red points for every pound you turn in to him.

### Fertilizing Wheat

The first 200 pounds of fertilizer used on wheat will produce an extra 6 or more bushels per acre. The next 200 pounds will produce about one-half the increase the first 200 pounds made, so \$6 to \$8 per acre for fertilizer may easily double the money in increased value in wheat.

### Frozen Bowl

Don't pour boiling water into frozen toilet bowls. A sudden and extreme change in temperature is very likely to crack the vitreous china bowl.

Released by U. S. War Department, Bureau of Public Relations.

**A DANGEROUS LANDING ON IWO JIMA**—Perched on a weapons carrier, two ground crewmen watch anxiously as a P-51 Mustang fighter comes in for a landing on a treacherous airstrip. In the face of these hazards U. S. planes have made successful forays against Japanese targets on the Nippon homeland from the earliest conquest of Iwo Jima.

## Scout Council Represented At Century Club Meet

Women of many nationalities paid tribute, Monday of this week, to Girl Scouting. The Daly City-Colma Council was represented at the informal reception in the Century club, Franklin street, San Francisco, by Mrs. Stella Jensen, commissioner; Mrs. Allene Lehigh, Mrs. Cora Oberg, Mrs. Hilda Heagney, Mrs. Cecelia Hale, and Mrs. Penny Boynton. Purpose of the meeting, arranged through the Girl Scout national headquarters, was to permit Bay area leaders and council members to hear outstanding women now in attendance at the United Nations Conference.

How the youth groups in England, France, Czechoslovakia, Russia, and China were enabled to better meet the years of tragic war was outlined in the talks by the distinguished guests. All stressed the fact that Girl Scouting is a good influence in building up a spirit of cooperation and tolerance, so necessary if peace is to be maintained after the present world-wide conflict.

"Good things happen through good people," stated Dr. Rosalind Cassidy of Mills college in one of the most thought-provoking addresses of the afternoon. She, as many another speaker, lauded the Girl Scouts for already having an international friendship theme.

### Fish Odor on Towel

To remove the odor of fish from tea towels and dish cloths boil them for five minutes in water containing one teaspoon baking soda to each quart. Rinse in warm and then in cold water. Soda water will also remove fish odor from the hands.

## Few Fines Levied At Traffic Court

There were just a few offenders who forfeited or paid fines at the city court session held Friday, May 18, before William J. Sweeney, city judge.

Earl Benson and Albert De Camp paid fines of \$1.50 each for arterial stop violations.

For going through a signal Charles Fritz paid a fine of \$2.50; Louie Fung, \$5; and Tony Ovelette, \$2.50.

For improper parking, Walter Anderson was fined \$5; and for driving over the white line, Ivan McDaniel paid \$5.00; for allegedly standing in a prohibited place it cost James Tarantino \$2.50, and \$2.50 was paid by Benny Tappa on a muffler charge.

The following paid fines for speeding: John Gerssing, \$5; Joe Harper, \$25, and Alfred Worthington, \$5.

For allegedly being drunk in a public place, a violation of City Ordinance No. 209, Giovanni Bitante forfeited his bail of \$10 for non appearance in court.

## False Alarm Calls Out Two Companies

Companies 1 and 2 responded to a false alarm when Box No. 22 was pulled, Wednesday morning at 8:55.

Chief A. Chesney, Assistant Chief A. Bodien and Battalion Chiefs E. Kennedy and Bert Silicani were in charge of the men.

## Thieves Break Drug Store Window And Steal Whiskey

Early Thursday morning, about 5 a. m., thieves broke the window in the front of Edwards Drug Store and made off with approximately 20 bottles of whiskey which were on display in the window.

By Thursday afternoon no clues were available as to who the guilty party or parties were nor was an arrest made.

Irony of the situation was that Drug Store Proprietor Edwards had worked until 2 or 3 a. m. of the same morning putting in a window display of "hard to get" whiskey. Only a few hours later the window was broken and the whiskey removed.

Some sort of heavy equipment must have been used for the break-in as the whole front window was completely shattered.

## Halt Induction Of Men Over 30

The Daly City Draft Board received its official notice Thursday, May 24 from Sacramento to halt the induction of all men 30 years of age and over.

Mrs. Isabelle Flynn, chief clerk of the local draft board and her assistants are mailing out notices to the men who, have received their orders to report for May 31 induction, that they do not have to report until further notice.

In other words, if the local draft board finds that a registrant is in the 30 to 37 year age group and who is in class 1-A is regularly engaged in an activity in support of the national health, safety or interest or an activity in war production, or in an agricultural occupation, it shall reopen the case of such registrants.

### Save Poinsettias

Poinsettias can be saved over and brought into bloom again. All that is necessary is to cut off the top shoots to about six inches and store the plant in a cool place in the basement or fruit room where the temperature ranges from 40 to 60 degrees.

### Test Astigmatism

A simple test for astigmatism is to cover one eye and look at an object. Then hold a card with a pinhole in it before the eye and view the object through the hole. If vision seems improved, astigmatism in the eye may be suspected, according to the Better Vision institute.

### Hot Breads

With hot breads, use a proportionally smaller pan or the bread will become too crusty; with muffins, put a little water into the unfilled cups of the pan as a protection.

### Peanuts Nourishing

Peanuts add nourishment and flavor to fruit and vegetable salads.

## Food Islands That Float

By Frances Lee Barton

YES! We have our floating islands.

We see them when we tour.

But touring days are now taboo. No matter what the lure. So here's a floating island That stay-at-homes may make. So long as they can get the food

And pans enough to bake.

### Butterscotch Floating Island

1 package prepared butterscotch pudding; 3 1/2 cups milk; 1 egg white; dash of salt; 2 tablespoons sugar; 2 tablespoons chopped nut meats.

Place pudding powder in saucepan. Add milk gradually, stirring constantly. Cook and stir over medium heat until mixture comes to a boil, mixture will be thin like soft custard. Turn into serving dish.

Beat egg white and salt until foamy, add sugar gradually, and continue beating until stiff. Fold in nuts. Drop from teaspoon on greased baking sheet and bake in hot oven (400° F.) 8 to 10 minutes. Remove carefully from baking sheet and place on top of pudding. Serve warm or cold. Makes 6 to 8 servings.

## Tire Failures Increasing Rapidly States Auto Assn.

More than one-third of America's 25,000,000 passenger car owners were forced to call for help during 1944 because of tire failure on the highway, despite the fact that during the year the worst tire crisis in history was impending, it is revealed in a report just received by the California State Automobile association.

The report, showing an increase of 10 per cent in tire failures last year, as compared with the preceding year, is based on a nationwide survey made by the American Automobile association. During 1944 tire breakdown rose to 9,152,000, as compared with 8,172,000 during 1943. The survey is based on reports from more than 12,000 official garages rendering emergency road service under contract to A.A.A. motor clubs.

If more than one out of every three cars was out of commission at one time or another during the past year, the State association points out, there is every reason to be seriously concerned for our automobile transportation as the hot summer months approach. Although the rubber on cars is at its lowest mileage value since Pearl Harbor, requests that motorists drive at moderate speeds, as a conservation measure, have been largely disregarded, the association states.

It is further revealed in the report that 28 per cent of the tire failure rising to a new high level during the current year, with resultant loss of an enormous number of work hours in war production, and demobilization of large numbers of automobiles until tire production catches up. Any optimism about immediate improvement in the tire supply situation, is wholly unfounded.

### Metal Trim

Gold or silver-trimmed dishes should be washed with mild soap. Strong soaps, ammonia, or washing soda all destroy metal trim.

### Seaweed Industry

Scotland is planning to develop a seaweed products industry, in which British research is outstanding.

### Large Republic

Third largest South American republic, Bolivia has an area of about 510,000 square miles. In this state—equal to the combined areas of Utah, Washington, Oregon, California and Nevada—live about 3,300,000 people, less than the population of Chicago. At least 80 per cent of the people live at altitudes of more than 10,000 feet.

### Mending Art

Mending is one of the humbler arts. The type and thickness of thread to be used is related, of course, to the fabric on which the mending is to be done. This fabric should be stretched taut and the hole filled in with a well spaced weaving. The weaving should extend into the fabric on all sides, so that the mended spot will have strength.

### Limestone Use

The American steel industry used 29,337,000 tons of limestone last year.

### Candle Hint

If candles are too large for candlesticks hold candle base in a basin of hot water until candle is soft enough to press it into shape to fit the candlestick.

The shoulder patch identification of the Sixth Marine Division has a red border around a blue center. The Division numeral is in yellow, shadowed with red; the Crusader's sword is in silver-white. The lettering and three stars are in yellow.

### Thawing Pipes

Don't try to thaw out frozen water pipes with an open flame. The only safe way is to use hot cloths.

### Frozen Heater

Don't light a gas water heater connected to the domestic hot water pipes if the pipes are frozen.

## O. J. D. Plans For Reception

A past queens night reception will be held by Bethel No. 26, International Order of Jobs Daughters Friday, June 8 at 7:30 p. m.

The reception is being held in honor of Mr. Mattrup Jensen, supreme outer guard, at the Mission Masonic temple, 2668 Mission street. The decorations for the evening will be carried out in the form of "Trees." The invitations sent out were in the shape of trees and at each place at the table there will be place cards of evergreen trees in silver spoons.

At the regular meeting, June 22, the installation of officers will take place.

### Tobacco Beds

Tobacco plant beds that received chemical treatment to control weeds should not be reworked before seeding. Rake the seed into the bed gently and do not otherwise disturb it.

## "OFF THE BLOTTER"

Frank Lombardi, Theta and Mission service station, phoned the police department that someone had broken into the station and taken \$90 out of the cash register. Mechanic on duty said there was some one around wanting to sell a check protecting machine that he carried in a newspaper. Officer G. Savage patrolled around the neighborhood but could find no one.

May 16, Central Emergency hospital phoned and asked that an ambulance be sent to Geneva and Bayshore boulevard. Officer D. Wood and E. Bertelli responded and took Mrs. Margaret Hardister, 244 Rio Verde street, Bayshore City, to Community hospital in the county ambulance.

W. W. Sunderland, 364 Miriam street, reported that someone had stolen his car from in front of his home. It was recovered near Tanforan.

The chief of police of South San Francisco phoned and asked for an ambulance to take Catherine Jean Sherer, 953 Victory avenue to the hospital. Officer Dean Wood and James Smith took injured party to hospital in county ambulance.

May 17, Arthur Haskins and Julius Nelson were involved in an auto accident on Bepler street.

Anthony Benedetto, Shell station, Vale and Mission streets, reported that someone had broken into his station. Officers R. Beecher and J. Welsh responded and found that someone had broken window in back of station.

May 18, Helen Howe, nurse at Mission Emergency hospital fell off a horse she was riding and injured her ankle. She was taken to the Alemany hospital by Officer R. Petrocchi and later transferred to Mission Emergency hospital.

August C. Naas, New Colma Lumber company phoned the police department and said that someone had broken into his place of business. Officers R. Beecher and J. Welsh responded.

Mrs. F. Duffy, 6398 Mission street phoned the department saying that a car had run into her place. Officer E. Beecher responded and found a Dodge truck on sidewalk against the building. There was no damage done to truck or building.

May 22, while Officers R. Beecher

and J. Welsh were patrolling they observed that the gates of the lubrication racks at Belli Motor company were open. Upon further investigation they found that racks were left open by the proprietor.

Mrs. Scanlon, 754 Niantic reported to the police department that her son Charles, 17, had been bitten on the leg by a dog whose owner resides at 457 Westlake.

### Recap Tires Now

Now is the time to have smooth tires recapped, and repaired, the California State Automobile association warns. When hot weather arrives, it may be too late; and blowouts and flat tires always occur with greater frequency during the summer months.

### Clean Battery Terminals

Battery terminals on your car should be kept clean and tight, and the battery should be secured firmly in its carrier, the California State Automobile association advises. Corroded terminals can be cleaned quickly with a solution of washing soda and water brushed over the corroded parts with an old paint brush or whisk broom. Removing, scraping, greasing and replacing terminals at regular intervals help prolong the life of these parts, as well as that of the battery.

### Calumet Council Nominates Officers

Calumet Council No. 66, Degree of Pocahontas held their regular meeting, Tuesday, May 22, at the Swedish-American hall, 2174 Market street.

The nomination of the following chiefs took place: pocahontas, Mary Rothacher; wenonah, Ann Ingenlath; prophetess, Marian Rohrs; keeper of records, Olive Cheek; keeper of wampum, Garrett Stahlman; collector of wampum, Anna Mae Flanagan; first scout, Edna Schuler; second scout, Ida Wilson; powhatan, Nora Fuller; musician, Emma Mathe-son; guard of the teepee, Lizzie Poysell and first warrior, Margaret Manning.

### Ignition System

During 1944, electrical system failures—batteries and ignition—was second only to tires as the cause of automobile breakdowns on the highways, the California State Automobile association reports. Proper maintenance of the ignition system is particularly important now, because of reduced production of batteries for civilian use, the association points out.

### Corrodes Silver

Salt will corrode silver very quickly. Open salt dishes and shakers should be emptied and washed thoroughly after each use.

### Damp Dusting

Wood or metal furniture needs an occasional damp dusting with a soft cloth wrung almost dry from clear lukewarm water.

## DRAFT BOARD RECEIVES CALL FOR 22 MEN

Mrs. Isabelle Flynn, chief clerk of the local draft board, has received a call for the induction of 22 men for June 28.

The following men have passed their physical examinations and will be called some time in June: John Miers, 101-B Hillcrest drive; Joseph Sardi, 6159 Mission street; Joseph Lunghi, 69 San Pedro road; William Barrardi, 469 Vista Grande avenue; Henry Sciutto, 124 Station street; Maxwell Tebau, 186 Moltke street; Edward Galli,

### Juniors Take Forfeit Win

Frank's Union "76" junior baseball team won a game last Saturday without playing. The Sharp Park Juniors did not show up for their scheduled contest with the "76ers." A Sunday contest failed to materialize so the Juniors were forced to idleness over the weekend.
